MEMORANDUM FOR RECORD

SUBJECT: Review of Missing Person's Status: Glover, Douglas J., [redacted]

Pursuant to the provisions of the Missing Persons Act, (and in accordance with an election of rights made by the legal next of kin) a review of the missing status of Sergeant First Class Douglas J. Glover, has been completed. All available information pertaining to his status has been given careful consideration. The circumstances attendant to his disappearance, plus the lapse of time without any further information to support a presumption of survival can lead only to the conclusion that Sergeant Glover is no longer alive. Further, the debriefing of returned prisoners of war following the ceasefire agreement of 27 January 1973, has revealed no information of his fate. Therefore, a determination has been made by the Department of the Army to change the status of Sergeant First Class Douglas J. Glover, from missing in action 19 February 1968 to dead, as of 12 November 1976.

An official finding of death will be recorded under the provisions of Section 555, Title 37, United States Code. The date of 12 November 1976, is not an actual or probable date of death, but is a date established in accordance with the statute.

It should be noted that due to the requirements of the Missing Persons Act, as amended by Court Decree of 11 March 1974, no change can be made in the missing status of the other personnel in the incident until such time that a separate review of their cases is accomplished in accordance with requirements of the aforementioned Court Decree.
