March 31—1am

MRS. LEE,

BEING impressed with the most lively sense of gratitude for the many favors which she has received from the Ladies and Gentlemen in the western section of this city; to whom she tenders her most unfeigned thanks, and respects for their liberal encouragement.—

She takes this opportunity to inform them, and the public in general, that a few families of the first respectability have induced her by a liberal endowment to relinquish, with reluctance, her establishment near the War Office; and to embrace a situation near the CAPITOL, in a house which is large, airy and commodious; with a beautiful garden, and every necessary appurtenance suitable and convenient for such an establishment: Where, in addition to the select number of Young Ladies, by whose parents she is engaged, she is at liberty to admit a number of her former Scholars, or any other Young Ladies of respectable connections who may offer.

She likewise begs leave to inform the public, that she has uniformly attended, in a particular manner, to a due selection of Professors of character and experience to instruct her Pupils in the higher classes of *Arithmetic, Geography, & Music*, and in the arts of *Dancing & Drawing*; and that suitable Masters of that description will attend the new establishment, which will commence on the 17th inst.

N. B. Her present residence on the Pennsylvania avenue to let; enquire of Mr. Buzzard, in Georgetown.
