Traveller's Hall.

THE subscriber tenders his sincere thanks to his friends for the very liberal encouragement which they have bestowed on him. He will finish one of his new rooms in a few weeks, which will be large enough to dine near 200 persons at a time, and will shortly after have the remainder of his additional building completed, which will give him a front of near 100 feet, in the most agreeable part of the town, and in the centre of business, being on the highest part of the public square. He has on hand, and has contracted for a constant supply of the best wines, and foreign spirituous liquors imported, and country provisions, stable forage, foreign & state newspapers—and has secured a quantity of liquors sufficient for the use of his table and bar during the season. He assures his friends, and that respectable part of the public who have patronized him, that there shall be nothing wanting which his time or purse will command, to render the TRAVELLER'S HALL a house of entertainment for genteel guests only, equal to any in America.

TEN DOLLARS REWARD.

STRAYED from Nottingham a bright sorrel gelding upwards of 14 1-2 hands high, his body lengthy, mane and foretop intermixed with white hairs, and inclined to a curly appearance. An evident star in his forehead, and I believe, a small snip leading from thence to the nose. His gates, a free and elegant pace, rising to a mixed gallop, and in a manner somewhat uncommon shews the frog of his feet nearly at every step. Some marks of the saddle and harness are to be seen. Shod round when he went off. The above reward will be paid to any person delivering him to

100 hundred dollars reward.

STOLEN from the stable of the subscriber, near Baltimore, last night, a large bay horse, about 6 or 7 years old, near 16 hands high, has been entirely used as a carriage horse, and has the hair rubbed off in several places by the harness, particularly on his rump; one of his hind feet lock joints had been hurt when a colt, and appears stiff, is remarkable for not bearing the whip, will kick up his heels when struck, trots very rough and hard, also paces. The thief is supposed to be a tall man, who was seen lurking about the place, had on a drab great coat, and half boots, sandy hair, &c. He also stole an old saddle with plated stirrups, and old bridle. Whoever takes up the horse and thief, and delivers the horse to the subscriber, and convicts the thief of stealing the horse, shall be entitled to the above reward.

PROPOSALS

FOR PUBLISHING BY SUBSCRIPTION,

A MAP OF VIRGINIA,

Formed from actual Surveys, and the latest as well as most accurate observations.

BY JAMES MADISON, D. D. President of William & Mary College.

To which will be added

A MAP

Of the greater part of the state of OHIO, from actual surveys, including the whole of the Virginia Military tract; with all that part of the state west of the Ohio river, to the Indian boundary line

The North-east corner of the map will be ornamented with an interesting

VIEW OF THE CITY OF RICHMOND.

The size of the Map will be 5 feet 6 inches in length, and 3 feet 8 inches in breadth. An ingenious and skilful engraver is engaged to execute the work, in a style not inferior to any similar work in the United States.

CONDITIONS.

The price to subscribers will be eight dollars, neatly mounted, colored, and glazed. One dollar, (to lighten the great expence of publication) to be paid on subscribing.

To non subscribers, the price will be ten dollars.

Copy right secured.

IN offering the above work to the public, the proprietors are sensible that excellence is not often attainable; but with candor and truth, equally remote, from arrogance and partiality, they can say, that they conscientiously believe it has a just claim to the confidence and patronage of the people.

A map of Virginia has been long and anxiously looked for. None has been published, on the plan of the one now offered, for many years.

The labor, expence, and apparent difficulties, in accomplishing so interesting a work, have deterred several from the arduous undertaking. The proprietors, finding that most of the other states had recently given encouragement to similar productions, and entertaining a high sense of the real dignity and importance of Virginia, embarked in the business, from a well grounded belief, that the magnitude and utility of the work, would insure, if accomplished, a remuneration. And while Virginia is powerfully stimulated with the love of science and virtue, they hope and believe she will view domestic productions, which prove pre-eminently useful, with a generous pride.

Those gentlemen who take subscription papers, are requested to return them to the subscriber, in Petersburg, by the first day of May.

The maps will be ready for subscribers, in the course of the ensuing summer.

Valuable Lands for Sale.

By order of the court of Calvert county will be exposed to PUBLIC SALE, the following lands the property of the heirs of capt. WALTER SMITH, *deceased:*

ON Monday the 1st day of April next, will be sold, on the premises, the plantation on which the said capt. Walter Smith formerly resided, containing, by actual survey, 1225 1-8 acres of Land lying adjoining on Patuxent river, bounded on the southwest by the said river, on the east by a fine navigable creek called Saint Leonard's creek, so that one and a half miles of fencing will enclose the whole Land. The soil of this Land is equal if not superior to any on Patuxent, either for farming, planting or grazing, and in their season the greatest plenty of fine fish and oysters may be had either from the river or creek. A great part of the above Land is covered with cedar fit for posts or fencing.

On Tuesday the 2d, on the premises, will be sold, one other plantation in the forest, at about two miles distance from the former, containing, by survey, six hundred and twenty seven and one half acres of Land, the greater part of which is covered with hickory, chesnut and oak wood, and a great proportion of swamp Land, which, at a trifling expence, might be converted into valuable meadow, belongs to this Land. And,

On Thursday the 4th, on the premises, will be sold, one other plantation, lying adjoining on Chesapeake Bay, bounded on the northeast by the said bay, on the north by a creek called Parker's creek, containing, by survey, 536 1-2 acres of Land; on this Land there are a great proportion of marsh and meadow Land, and a great abundance of fine timber.

It is thought needless to give a fuller description of the above Lands, as it is presumed that those who wish to purchase will view the Lands previous to the day of sale, and on application to Mr. John Turner, who resides near the two first mentioned tracts, they may see the plots of the different tracts of Land, and will shew the Lands contiguous to him, and Mr. Richard Hance, who resides on the last mentioned tract, will shew the outlines of the same to any person wishing to view it.

The above Lands will be sold either in the whole, or be divided into parcels, as may appear most advantageous for the heirs.

The purchasers to give bonds, with approved securities, for the purchase money, to be paid in three annual payments, the interest to be paid yearly, and on the ratification of the sale by the court, and a full payment of the purchase money, and interest thereon, a deed of conveyance will be executed to the purchaser, agreeably to an act of assembly in such cases made and provided.
