TO BE SOLD AT PUBLIC AUCTION,

AT Northumberland court house, in the county of Northumberland, and state of Virginia, on Tuesday the 5th of September next, at 11 o'clock in the forenoon, five contiguous plantations, amounting together to about 2,700 acres, situate on the river Potomac, and within about three miles of the court house. These estates formerly belonged to Presley Thornton, Esq. and are the same on which he lived. They have never been seen by either of the subscribers, but it is understood, that about 1700 acres of them are as valuable low grounds as any on the river, and a considerable part thereof heavily timbered. The uplands consist of about 1000 acres, and the whole is well calculated for the production of corn, wheat, tobacco, timothy and small grain of all kinds, in great abundance. The waters are said to abound with excellent fish, oysters and wild fowl. The water carriage is easy and convenient to Norfolk, Baltimore, Alexandria and the city of Washington; and as these estates possess several good mill seats, with an abundance of water and a plentiful supply of timber, they must be very valuable.

The premises will be shewn to persons inclining to purchase, by col. James Moore, who lives on them, or by Samuel Blackwell, Esq. who lives near to them; and the terms of payment may be known a sufficient time before the sale, by applying to either of them, or to THOMAS ROBINSON,
Near Chester, Delaware,
Or to W. LEWIS, at Phila.

A GREAT BARGAIN OFFERED

FOR fourteen thousand dollars. I will sell seven hundred acres of Rich Land lying in Calvert county, State of Maryland, beautifully situated on the banks of the river Patuxent and Saint Leonard's Creek, within one easy day's sail of the Baltimore market, and four miles from Saint Leonard's Town post-office.

This Land has on it a commodious two story brick mansion house, lately erected, of the very best materials, with a dry cellar under the whole house, eight good rooms and a large garret—also, kitchen, corn house, stables, two very large barns and many other out-houses all in good repair, and would divide very handsomely into two farms. The soil is equal to any in the state for the culture of Indian corn, tobacco, wheat and clover, and no farm on the river can boast of more constant running springs of water, or better grazing land—about four hundred acres are the most valuable kind of low grounds on the river, the remainder is wavy high Land, very productive, on which stands a plentiful supply of fine red cedar for fencing, oak, hickory and pine for fire-wood.

The waters here abound in the best of oysters, fish, and wild-fowl—the neighborhood is healthy, genteel and agreeable.—I will sell the growing crop on the land, furnish hands, &c. to finish the same—also, a good stock of black cattle, horses, sheep and hogs—and give a long credit on two thirds of the purchase money, the interest to be paid annually—the remaining third part thereof must be cash—possession may be had immediately.

The subscriber offers for sale that elegant and valuable estate, called WILTON, lying nine miles below Richmond. The dwelling house is not inferior to any in the state; the offices are commodious; the garden and yard are handsomely laid out. The situation combines so many advantages, that I am unwilling to give a description of it, wishing any gentleman who is disposed of purchase, to come and view it. It may not be amiss however to observe, that James river runs 100 yards from the door of the house, that vessels of five hundred hogsheads have loaded at Warwick, one mile above it, that the water carriage to Richmond is only six miles, that there is a good shad and herring fishery, and that wild fowl are frequently procured. A small GRIST MILL is attached to it on a stream that runs through the plantation.
