Valuable Property for Sale.

THE subscriber being desirous of removing to the western country offers for sale the following tracts of land in Fairfax county Virginia, viz. The tract on which he resides containing about 740 acres, five miles below Alexandria and within one mile of Potomac river, in an agreeable neighborhood, the situation pleasant and remarkably healthy; the land level and well adapted to the production of Indian corn, wheat and other small grain; the improvements are a large and commodious dwelling house two stories high, 54 feet long and 34 feet wide, with four rooms and a passage on a floor, a piazza nine feet wide on each front, the full length of the house and an excellent cellar under the whole house, divided into four rooms and a passage, a good kitchen, meat house, dairy, ice house and every other necessary building, all in good repair, with a well of excellent water, a good garden, apple and peach orchard and about 40 acres of excellent timothy meadow, and as much more may be made at a very small expence, also an overseer's house, negro quarters, a granary, &c. One other tract containing about 1250 acres six miles below Alexandria divided into two farms sufficient to work nine or ten hands on each; the buildings on these Farms consist only of overseer's houses, negro quarters, granaries, &c. there are 40 or 50 acres of good timothy meadow well enclosed and a great deal more may be made at a trifling expence; the land very level and fertile with an abundance of timber; this tract is allowed by those who know it well to be equal if not superior to any tract of the same extent in this part of the country, it will be sold entire or divided as may be found most convenient. One other tract near the last mentioned one containing 402 acres rented to tenants at will, a considerable portion of which is level and the soil good, there are on it two or three beautiful and commanding situations for buildings and a meadow from which one of the tenants sells from 15 to 20 tons of hay a year.

Another tract of about 325 acres, 9 or 10 miles below Alexandria, through which the stage road leading from thence to Richmond passes; this would be an excellent stand for a tavern, there being none at this time between Alexandria and Colchester, a distance of 16 or 18 miles. Also one other tract near the last containing about 400 acres, both the last mentioned tracts are likewise rented to tenants at will, they produce good corn, wheat and other small grain, and there is on each of them a considerable quantity of excellent timothy meadow in good order from which the tenants sell a great deal of hay.
