AN ACT

More effectually to provide for the payment of taxes upon lands within this Commonwealth.

(Passed January 29th, 1803.)

WHEREAS numerous inconveniencies and losses have accrued to this commonwealth, from the want of an adequate mode for the subjection of lands to the payment of taxes: And whereas it is a principle in well organized governments, that property should be holden subservient to the purposes thereof.

SEC. 2. *Be it enacted*, That when the taxes upon any tract or survey of land, shall have remained unpaid for the space of two years, such tract or survey of land, shall be forfeited to the commonwealth, and subject to location, according to the terms prescribed by an act, intituled "an act, for reducing into one, the several acts concerning the land office, ascertaining the terms and manner of granting waste and unappropriated lands for settling the title and bounds of lands, directing the mode of processioning, and prescribing the duty of surveyors" so far as the said act applies to waste and unappropriated land, and not to forfeited land ; and title thereto shall be acquired by the said location and by the payment of the taxes due upon such tract or survey of land: Provided nevertheless, That the tract or survey of land so as aforesaid forfeited, shall be subject to the redemption of the former rightful and proper owner at any time within one year after such forfeiture shall have accrued, upon the payment of the taxes due thereupon, with interest upon the same from the time they became payable.

And be it further enacted, That at any time within six months after the annual return of the list of insolvents or delinquents for the non-payment of the taxes upon land into his office, the auditor of this commonwealth shall cause this act to be published for three several times in the Gazette of the printer of this commonwealth, & in some newspaper of general circulation, published at the seat of the general government: Provided always, that nothing in this act shall be so construed as to authorise the location of any lands within the purview of this act, before the expiration of the time limited for the redemption thereof; nor to affect the rights of infants, femes covert, or persons of unsound mind, until one year after the disabilities shall have ceased.

All acts and parts of acts, within the purview of this act are hereby repealed.

This act shall commence and be in force from and after the first day of March next.

Twenty Dollars Reward.

WILL be given for apprehending and securing in jail a young Mulatto man slave named ANDREW. He was hired by me last year to Mr. Joseph Thomas who keeps the middle ferry to Alexandria, and absconded from that place about the latter end of August last He is about 23 years of age, 5 feet 8 or 9 inches high, lusty and well made, has short curly hair, and is frequently subject to have several large pimples on his face. He is reckoned to be a sensible fellow of an easy agreeable address for a man in his low sphere of life. As he has not been heard of by me since his elopement, I suspect he has had the address to ship himself as a freeman on board some vessel either at Alexandria or Baltimore Whoever takes him up and secures him in jail shall receive from me the above reward, or as soon due information thereof is given to me or to Dr. N. P. Causin at Port Tobacco.
