25 Dollars Reward.

RAN AWAY from the subscriber living in Gooch and county, on the 3rd Sept 1803. A very likely negro man named SAM, who calls himself Samuel Commer—about 24 or 25 years old, of a yellowish complection, low but stout made; one of his upper fore teeth cut, his dress chiefly of Virginia cloth with a plain durants short coat—he is very sensible, can read and write so as to be understood. The said Sam was taken up with a negro belonging to Mr. James, in Cumberland county, near Centreville, about 20 miles above Fredericksburg, and made his escape from the men. Sam had wrote passes for both of them, and as the negro that was brought home said they was aiming for George Town, from thence to Pennsylvania; he saws at the whip saw and is a very good house servant—he will endeavor to pass for a free man—he is guilty of forgery—he signed the passes, John Goodal, Henrico. I do desire all persons to endeavor to apprehend the said negro, as he may be very injurious to the country if not taken and punished for his behaviour All reasonable expences paid for delivering him to me at home, or the above reward for confining him in jail so that I get him again.

A washing house meat house and dairy and in short every necessary improvement for the accommodation of a family, and a very fine collection of grafted and budded peach trees of the most approved kinds, chiefly from Princes nursery on Long Island, which are just beginning to bear. This property is situated in a healthy genteel neighborhood, about four miles from the city of Washington, five from Alexandria. Nearly one half is in wood and timbered, and the residue arable and meadow land, of the latter, there are about 50 or 60 acres under the scythe and more may be easily laid down. DANCING.

MR. NUGENT, heretofore a principal dancer at the Theatres of Philadelphia and Charleston, respectfully informs the public that he intends to teach the art of dancing in the city of Washington and George Town. He was regularly bred to that art in France, and has been assistant to Mr. Second the most eminent dancing master in the city of Bath. He is recommended by Mr. Francis, ballet master of the Philadelphia Theatre and dancing master, and by Mr. Quesnet, dancing master in Philadelphia. He thinks it necessary thus to insist on his qualifications, from having seen in various parts of these states men pretend to teach dancing who, he believes, never received a lesson from a dancing master. He will commence school in George Town, on Monday the 12th inst. at Mr. Ritchie's in High street, where further particulars may be known. Commands from the city of Washington directed to him at Mr. Ritchie's George Town, will be punctually attended to.

Mr. Nugent wishes to hire a room convenient for a Dancing School, in the city of Washington.

PATENT GUN LOCK.

The subscriber offers for sale

the right of making and using Edward West's improvement in Gun Locks, which is considered by judges of the utmost importance to every person using fire arms, and more particularly to the army and militia of the United States. There are two very great advantages resulting from this improvement, the first is, that no accident can possibly happen by a gun going off at half cock as it has in that situation no connection with the dog, consequently not with the trigger or any other external part of the lock. It cannot possibly catch at half cock as there is no notch that the dog can catch on, and the counter dog is so placed in the act of cocking, as not to be restored but by the cock first falling or being let down The great security in this improvement ought certainly to recommend it to general use, to avoid the innumerable accidents that has and must unavoidably happen from the present plan, in guns going off at half cock, &c. Application made to Mr. Rhodes, city of Washington, will be communicated and attended to, where I shall attend at the sitting of Congress.
