FOR SALE.

ALL that tract of land which I purchased from Mrs. Mary Jenkins and on which I now reside lying in St. Mary's county on the Chesapeake bay three miles from St. Inigoes creek, containing 700 acres more or less. The advantages of this land are numerous. 400 acres are in wood abounding in oak, locust and poplar. The bay shore affords an inexhaustible source of excellent manure in the sea weed or sea oar as it is commonly called which is at all seasons thrown up in great quantities and is of easy access, lying immediately along side of the fields. No place can be better adapted than this for stock of all kinds. The woods yield abundance of acorns, and it abounds in grounds well calculated for meadows that produce great quantities of grass. The improvements of this place are likewise considerable. There are on it a good brick dwelling house, every necessary out house, a small water mill, and two tenements now under rent, besides all necessary fencing in good repair. Moreover there are many convenient springs of good water that do not fail in the driest seasons. Its situation renders it almost superfluous to mention that it lies convenient to the Baltimore, Norfolk and Alexandria markets. This valuable tract of land I will sell for one 4th cash and the remainder in one, two and three years.

CONFORMABLY to an order issued from the hon. court of Calvert County at September term last, the subscribers will offer at Public Auction on Tuesday the 4th day of February next, if fair, if not the first fair day thereafter, at the late residence of Nathan Smith deceased, at the hour of 12 o'clock,

A valuable Tract of Land

containing Four Hundred and Fourteen acres, and Fourteen Perches.——This truly fertile spot may justly be ranked as first rate land, the soil being extremely rich, capable of producing wheat, hemp, flax, clover, timothy, Indian corn and fine tobacco; the greater part of this beautiful place lies extremely level, and we should do injustice to it, did we neglect to say that few places are equal and none can excel it; the improvements are convenient and in tolerable repair, and as it is presumable those who are inclined to purchase will view the premises previous to the day of sale, it renders a full detail of the improvements unnecessary. This place lies within four miles of Nottingham and about six from Pig Point, has a sufficiency of timber and wood to support it, a tolerable apple orchard, with other fruit trees.

The terms of sale are, that bond and approved security will be required, on the day of sale, payable in two equal payments, the first in twelve, and the second in eighteen months, with yearly interest on the purchase money unpaid, the sale to be subject to the ratification and confirmation of the court, and upon the whole purchase money and interest being paid (and not before) the purchaser or purchasers will receive an indisputable title to the premises so bargained and sold. Possession will be given on the day of sale. This land will be sold altogether or in lots as may appear most conducive to the interest of the representatives.

AARON, a mulatto man about 43 years old, left the city of Washington early in October, and was seen on the road leading from Alexandria to Leesburg in company with a black woman, who I am informed is the property of some person in the vicinity of this place—He is about 5 feet 10 inches high, has strait hair, very bald, in one of his eye brows (I think it is the left) near his nose, there is an indented scar occasioned by a stroke he received, which fractured the bone in that place, and whenever he has it in his power never fails to drink to excess. It is probable that he has gone to Jefferson or Berkley county in Virginia, where he formerly resided, and from thence will endeavor to go to Kentucky. The above reward will be paid to any person who will have him committed to jail, and give information thereof to the subscriber in George-Town, district of Columbia.

A BARGAIN.

THE subscriber offers for sale the farm he now occupies, containing near 300 acres with or without the stock thereon.

It is distant from the cities of Georgetown and Washington, about five miles, and well known as a healthy situation. There is much fine fruit thereon, and abounds with springs, affording as good water as in the United States, a considerable proportion of the land has been in clover, and from thirty to forty acres fit for the scythe the ensuing summer. It is now in a very improving state, being altogether clear of broom sedge, and from 40 to 50 acres ploughed and prepared for a spring crop, and from 30 to 40 acres well set with wheat and rye—some part of the land is calculated for tobacco; and plaster of paris answers well with it all. The dwelling house and other improvements may with small repairs, be rendered very comfortable—From its vicinity to two growing cities many advantages result in supplying the markets. A purchaser may calculate on a good bargain, particularly if an early application be made. Some part of the purchase money will be required in cash or approved negotiable paper; the remainder rendered easy—or negroes received in payment. The subscriber or William Searly residing on the farm will shew it when required, and the terms made known by application to *Mr. John Thompson*, George Town, or Dr. WM. THORNTON, Washington.

LAND FOR SALE.

DESIROUS of removing to Kentucky, the Subscriber will sell his estate at the Falls of Rappahannock, on which he resides containing 1031 acres—being within one mile of the two improving towns of Fredericksburg and Falmouth and several manufacturing mills, independent of which it is believed that few tracts of land in Virginia embrace within their boundaries as many real advantages.

FOR SALE.

IN the county of Albemarle Virginia, 971 acres of land lying on both sides of Hardware river, generally adapted to small grain corn and tobacco with a great abundance of meadow land. About four hundred acres are cleared most of which are low grounds; and it is perhaps capable of the highest improvement of any land in this part of the world by having an inexhaustable source of rich mud or soil that has been accumulating for ages. The situation is fine, healthy, convenient to two tobacco warehouses, the court house and several merchant mills and in a very respectable neighborhood. Hardware river is capable of being made navigable into James river from several miles above this tract for which there is an act of assembly. There is on the land a large two story dwelling house, almost new and other convenient houses—at about half a mile from which, there is also an old dwelling house, kitchen and store house, that may be made with some repairs capable of accommodating a genteel family. There is also on the premises between 90 and 100 000 bricks well burnt which will be disposed of on reasonable terms. The payments required will be one third cash and the remainder at two equal annual instalments. Any person wishing to purchase or view the said land will apply to the subscriber living on the premises.

Beall of Fauquier county, Virginia, and eloped about the 6th of November last. Twenty Dollars Reward.

WILL be given for apprehending and securing in jail a young Mulatto man slave named ANDREW. He was hired by me last year to Mr Joseph Thomas who keeps the [illegible] ferry to Alexandria, and absconded from that place about the latter end of August last. He is about 23 years of age, 5 feet 8 or 9 inches high, lusty and well made, has short curly hair, and is frequently subject to have several large pimples on his face. He is reckoned to be a sensible fellow of an easy agreeable address for a man in his low sphere of life. As he has not been heard of by me since his elopement, I suspect he has had the address to ship himself as a freeman on board some vessel either at Alexandria or Baltimore. Whoever takes him up and secures him in jail shall receive from me the above reward, as soon as due information thereof is given to me or to Dr. N. P. Causin at Port Tobacco.

Also, all the property in Virginia belonging to the same, consisting of a small tract of land on the river nearly opposite to the iron works on Denton acques, which is known to contain iron ore in abundance—a part of the Keep Tryste Ore bank lately recovered, which is distant from the furnace at the Anti Eatum works about four miles. Several lots in Shepherd's town, improved and unimproved; with the rights of the company, (which though now only conditional will be made complete) to the ferry across Potomac below Anti Eatum, and the farm to which the same is annexed, containing between 150 and 200 acres of very good land—together with all rights and privileges to other ores, landing places, and conveniencies held and claimed by the late firm of Richard Henderson, and Co. making in the whole one of the most valuable estates in America for carrying on iron works of every kind, and for the manufacturing of flour on an extensive scale by a mill, lately built and now in complete order for that purpose, from which the Potomac canals give water carriage to the towns below, the land carriage to George Town being not more than 60 miles, and for an advantageous sale of iron, the very populous country and towns near the works afford a ready market.

Possession may be had on the 1st of January next, or at any reasonable time thereafter. For further description of the property, and of quality and quantity of lands with title papers, any person disposed to purchase is referred to Mr. John Ritchie at the works, and for terms of sale to James M. 20 DOLLARS REWARD.

RANAWAY from the subscriber, living in Frederick county, Virginia, near Front Royal, on the 24th inst. a likely mulatto man named BILL WOOD; about 20 years of age, and about 5 feet 6 or 8 inches. It is highly probable that he is making towards Annapolis, where he has a mother living, he has also a father living by the name of John Wood.
