EIGHTY DOLLARS REWARD.

RANAWAY from the subscriber on the 5th inst. a mulatto lad—JIM—who is about seventeen years of age, he has straight black hair, lately cut, and black eyes. He had on when he absconded from me, a short blue kersey jacket and blue pantaloons patched with white, a large pair of laced shoes, an old hat, osnaburg shirt, with an old handkerchief round his neck—he has a father living in the city of Washington, near the navy yard, by the name of George, or George Beall, who served his time with Mr. John Addison, Jun. and a mother by the name of Sophy, who I sold to her husband a few years past, and expect he will make to them or probably to Baltimore as he has some friends and relations there also. I will give forty dollars for securing said lad in jail so that I get him again, or the above reward if taken out of the district of Columbia or state of Maryland.

VALUABLE FARM AND LOTS *FOR SALE.*

WILL be sold at public sale, on the first Monday in October next, if not previously disposed of, that valuable farm in Prince George's County, Maryland, known by the name of ST. OSYTH.

ST. OSYTH contains by estimation seven hundred and fifty acres of Land, between seventy and eighty acres of which are meadow, now fit for the scythe, and capable of being made to produce an hundred tons of hay at a crop—about two hundred and fifty or three hundred are in wood and timber, and the residue arable. No place perhaps in America, can be better watered or more healthy. The improvements consist of a dwelling house, two stories high, forty-two feet long by thirty-six wide, with a passage through the middle, three rooms below and four above, with a garret the whole size of the house, a kitchen and laundry under the same roof, two stories high, with two large rooms above for servants, a meat house, wash house, corn house and granary, a large tobacco house which may very easily be converted into a barn, a productive garden and pigeon house, and a young thriving orchard of excellent fruit and of great variety from Prince's nursery on Long Island. The enclosures are new and in good order. Upon the same property and within a quarter of a mile is a small dwelling house with three rooms below and two above stairs, a kitchen, meat house and barn. This place at a small expence may be easily fitted up and made a most comfortable house for a small family. St. Osyth lies within four miles of the city of Washington, and about the same distance from the nearest ferry to Alexandria. If sold at private sale the lowest price for this valuable property is ten pounds an acre. A further description of the property is deemed unnecessary as those inclined to purchase will doubtless come and see it. The terms of sale may be known on applying to the subscriber living on the premises, Col. Sam. Hanson of Washington, or Dr. Wm. Baker, George Town.

On the same day, if not before by private sale disposed of, will be sold the negroes, stock, etc. attached to the estate of the late O. Carr, deceased. The negroes will be sold for a term of years.

TO BE SOLD AT PUBLIC AUCTION,

AT Northumberland court house, in the county of Northumberland, and state of Virginia, on Tuesday the 5th of September next, at 11 o'clock in the forenoon, five contiguous plantations, amounting together to about 2,700 acres, situate on the river Potomac, and within about three miles of the court house. These estates formerly belonged to Presley Thornton, Esq. and are the same on which he lived. They have never been seen by either of the subscribers, but it is understood, that about 1700 acres of them are as valuable low grounds as any on the river, and a considerable part thereof heavily timbered. The uplands consist of about 1000 acres, and the whole is well calculated for the production of corn, wheat, tobacco, timothy and small grain of all kinds, in great abundance. The waters are said to abound with excellent fish, oysters and wild fowl. The water carriage is easy and convenient to Norfolk, Baltimore, Alexandria and the city of Washington; and as these estates possess several good mill seats, with an abundance of water and a plentiful supply of timber, they must be very valuable.

The premises will be shewn to persons inclining to purchase, by col. James Moore, who lives on them, or by Samuel Blackwell, esq. who lives near to them; and the terms of payment may be known a sufficient time before the sale, by applying to either of them, or to

LAND TO SELL OR EXCHANGE

I AM desirous to sell or exchange for lands lying below the Blue ridge, about 4000 acres of old Military land, situated in the county of Mason, state of Virginia, on the river Ohio, about 8 miles from the mouth of the Great Kanhawa. Half of the above quantity is rich river bottom unsubject to freshes, and on which from 60 to 100 bushels of Indian corn has often been made to the acre. On a part of this land, intended to form a farm of 700 acres, and near the bank of the river, has lately been erected a single story framed dwelling, 40 feet by 20, with a stone walled cellar under the whole, rising 4 feet above the surface, which with little alteration might be made agreeable summer rooms. I will take for this land, as well as for a third part of 2000 acres on Kentucky river, and a third part of a military survey, in the forks of the Ohio and Tennessee, both valuable tracts all kinds of public securities or exchange as above.

Circuit Court, District of Columbia, County of Washington—June Term, 1809.

Richard Soderstrom, vs. Samuel Goodman, George Little and Josiah Quincy, } In Chancery.

THE object of the bill filed in this case, is to compel Samuel Goodman to pay to the complainant the sum of money alleged by the bill to be due to the complainant for a judgment obtained against the said Goodman in the island of St. Thomas', and the amount of commissions and expences due to said Soderstrom from said Goodman, and for monies disbursed by said Soderstrom for and on account of said Goodman. The bill states, that a decree in the supreme court of the United States was rendered in favor of said Goodman against said Little for a large sum of money on account of the capture of the brig Flying Fish and her cargo, the property of the said Goodman, a Danish Burgher of the Island of St. Thomas, by the said Little, commander of the United States ship of war, the Boston. That the said Little, after the decree was pronounced, petitioned and obtained from the United States a sum of money to cover said decree, and to be specifically applied to the payment thereof. That the said money was received by Josiah Quincey, the attorney of said Little, and sufficient to satisfy the complainants demands, has been stopped and enjoined in the hands of said Quincy, out of which the complainant demands to be satisfied his claims, and it appearing to the satisfaction of the court, that the said Little and Goodman respectively reside out of the district of Columbia and jurisdiction of this court. It is therefore ordered by this court, that the said Little and Goodman respectively be and appear in this court in person or by solicitor, on or before the fourth Monday of December next, to shew cause why a decree should not be passed as prayed, and that this order be published for four successive weeks in the National Intelligencer and United States Gazette before the first day of August next.
