Intending to leave the city in October next, I am desirous of disposing of my Furniture, two Negro Men, one a cook, the other an ostler and coachman, and a pair of very well gaited Riding Horses.

It may be a convenience to any family removing here, and taking the house I now occupy upon rent, to take the Furniture (which is but little worn) by purchase. The house, one of the six buildings on Pennsylvania Avenue, is pleasantly and conveniently situated, and the furniture, which is tolerably well fitted to it, will be reduced in price in proportion to the wear and tare, and change of fashion, shall have made right.

Conrad & M'Munn

HAVE opened houses of entertainment in the range of buildings formerly occupied by Mr LAW, about two hundred paces from the Capitol, in New Jersey avenue, leading from thence to the Eastern Branch. They are spacious and convenient, one of which is designed for stage passengers and travellers, the other for the accommodation of boarders. There is stableage sufficient for 60 horses——They hope to merit public patronage.

Fifty dollars Reward.

TWO daring villains on the night of the 29th inst. between the hours of 11 and 12 o'clock, entered my house, with arms, and compelled me to give them upwards of 400 dollars—55 dollars in notes, two of 20 dollars, and three of 5, all on the bank of Columbia. The balance in silver dollars. The above when taken away was in an old oznaburg bag. Fifty dollars reward will be given to any person for securing the villains who committed the robbery. It is suspected that a certain O'Riley, a schoolmaster, lately living in this neighbourhood, was one of the persons.
