Patent & Family Medicines.

RICHARD LEE & Co.

RESPECTFULLY inform the people of the United States that they have removed their manufactory and wholesale store from Baltimore to New-York, where all orders addressed to them, will be promptly executed, if accompanied with cash, or drafts on New-York, Philadelphia, or Baltimore.

It is now nearly six years since the Medicines, underneath enumerated were first offered to the public; during this period they have seen the numerous impositions of ignorant and avaricious pretenders, acquire an ephemeral existence, and pass unnoticed into oblivion. On the other hand, our remedies have, by slow steps, been constantly rising in the public esteem and acquiring a more extensive range of celebrity. At most of the places of sale, pamphlets may be had gratis, describing at large, the properties and uses of the medicines, with certificates of their efficacy, from the pen of well known physicians, divines, lawyers, and gentlemen; as well as from the equally respectable artisan, the merchant and the farmer.

Richard Lee & Co. are inclined to send their medicines, on a liberal commission, to a respectable and established storekeeper in every town in the United States where a Newspaper is printed, in which they can be announced for sale. Attention will be paid to applications from such places, where agents are not yet appointed; but it must be premised, that correct attention to period[ical] settlements is required—and that a reference to some Mercantile house, in one of the principal cities, would be pleasing.

Doctor FENDALL.

Having just arrived in the City of Washington, takes the liberty to intimate to the Inhabitants of the City of Washington, George-Town, and their vicinage, that he means to exercise his skill in the line of his profession, for a few weeks, and may be spoke with at Mr. Stelle's Hotel.

The Doctor's knowledge of the natural history of the human teeth—their adjacent parts, and the disorders to which they are subject, acquired by assiduous attention, unremitted study, and experience of an extensive and successful practice for upwards of twenty eight years, will, he hopes, entitle him to the confidence of all those who wish to employ him.—He fondly flatters himself he has it happily in his power to appeal without fear to such as have been his patients in the states of Maryland, Virginia, &c. for that degree of reputation which his conduct as a dentist has merited, and given him just claim to.—The doctor hopes at least he is considered as entitled to the highest grade among some of his profession in this country.

The Doctor entreats leave to to offer to the public his Columbian anti scorbutic Dentifrice for preserving the teeth, gums, sockets &c. a dentifrice infinitely superior (he thinks) both in elegance and efficacy, to any thing hitherto used for the teeth and gums. It renders the breath sweet and agreeable, is a powerful anti scorbutic, and free from any corrosive quality whatever.—No family, and especially where there are children, should be without this excellent and valuable preparation, which doctor Fendall avers to be productive not only of those effects and consequences as a sovereign Dentifrice and remedy for the disorders of the teeth and gums, but will also prevent them.

This admirable dentifrice is sold (only by Doctor Fendall) at the moderate price of one dollar a pot with directions.

James Barry, Complainant.

versus

Charles Ross, John Simpson, John Craig, James Crawford, William Rusk, William Read, Matthew Pearce, George Plumstead } Defendants.

THE bill states that the complainant, and two of the defendants, Ross and Simpson, of Pennsylvania, were seized and possessed as tenants in common, of three lots in the city of Washington, distinguished by lots No. 1 2 and 3 in square No. 771, that the complainant sold to the said defendants, Ross and Simpson, his interest in the said lots, for the sum of 14130 dollars, and 52 cents. That 5912 dollars, and 58 cents, part of the said purchase money, with interest thereon, and the costs of protesting the notes of the said Ross and Simpson, given for that sum, still remains due and unpaid to the complainant, and that the said Ross and Simpson, have since been declared bankrupts, having, before they were declared bankrupts, executed a deed of conveyance for the whole of the property aforesaid to the defendants, John Craig, James Crawford, William Rusk, William Read, Matthew Pearce, and George Plumstead, all of the state of Pennsylvania, that the said deed was not made in consequence of money paid, or any thing advance by the said last mentioned defendants to the said Ross and Simpson, but in consideration of debts pretended to be due by the said Ross and Simpson to the said last mentioned defendants long before the execution of the deed, from the complainant to the said defendants, Ross and Simpson, and that therefore the claim of the complainant ought to have priority as a lien upon the said lots, being part of the price contracted by the said Ross and Simpson to be paid to the complainant for the purchase of the said lots.

The object of the bill is to make the said lots liable for the debt due by the said Ross and Simpson to the complainant, and to give the complainant's claim a preference.

It is on the complainant's motion ordered that he procure a copy of this order to be inserted at least once in each of three successive weeks in the National Intelligencer, and the Washington Federalist, before the first day of March next ensuing, to the intent that the defendant, and all other persons (if any there be) interested in the premises, may have notice of the complainant's application, and of the object of his said bill, and that the said defendants may be warned to appear here in person, or by a solicitor, on or before the first day of August next, to shew cause, if any they can why a decree should not pass as prayed for, in, and by said bill.

Valuable Medicines.

The Public are respectfully informed that LEE & CO. and the Agents of their appointments, will in future keep a constant supply of the following Medicines, which are in high esteem and general use throughout the United States, many of them being sold cheaper than the Drugs of which they are compounded, could be purchased at a retail store.

HAMILTON's ELIXIR;

A sovereign remedy for Colds, obstinate Coughs, Asthmas, Sore Throats, and approaching Consumptions.

To Parents who may have Children afflicted with the HOOPING COUGH,

THIS discovery is of the first magnitude, as it affords immediate relief, checks the progress, and in a short time entirely removes the most cruel disorders to which children are liable; the Elixir is so perfectly agreeable, and the dose so small that no difficulty arises in taking it.

Mr. Charles Myers, Hampstead Hill, near Baltimore, had been a long time dangerously indisposed, and was reduced to the lowest state of weakness, insomuch that his recovery appeared doubtful. His complaints, which seemed to be affections of the breast and lungs, and general debility occasioned thereby, yielded little, but rather progressed under the treatment of several eminent physicians; when by the use of Hamilton's Elixir, his distressing cough was immediately alleviated, and every other symptom rapidly subdued. Four or five bottles entirely removed his complaints, and restored him to an excellent state of health and strength which he has for upwards of 2 years past enjoyed without interruption.

From LUTHER MARTIN, Esq. Attorney General of the State of Maryland.

GENTLEMEN,

I comply with your request in stating my opinion of Hamilton's Elixir—It has been used in my family for two or three years past, with uniform success, whenever colds, coughs, or similar complaints have rendered medicine necessary—I have myself found it an excellent and agreeable remedy for a very painful and troublesome affection of the breast, accompanied with soreness and with obstructed and difficult breathing.

On these accounts I do not hesitate to recommend Hamilton's Elixir, as a valuable medicine, and deserving public attention.

LUTHER MARTIN.

Mr. Alijah Henly, Bridge-street, Baltimore, was cured by one bottle of Hamilton's Elixir, of a very complicated disorder, occasioned by a severe cold, caught several months ago—He breathed with the greatest difficulty, and was often thrown into weakening sweats when he attempted to walk any distance, and his voice would frequently fall in such a degree that he could only attempt to whisper; he has been upwards of six weeks without a return of his complaints, and desires to give his public testimony in favor of this invaluable medicine.

Mrs. Elizabeth Jones, South Howard street, was greatly relieved of an asthmatic complaint of several years standing, by the first bottle of Hamilton's Elixir—and by the use of five bottles she has acquired a degree of ease and strength to which she had been long a stranger. She had taken balsam of honey, Church's cough drops, and other medicines, without any benefit, and sometimes to the evident injury of her breathing.

Sold ONLY in Columbia District, by S. Bishop, Bookseller, Alexandria—Dr. John Ott, Druggist, George Town—and Rapine and Conrad, Booksellers, Capitol Hill, Washington.
