FOR SALE.

THE Plantation on which I live, containing about 600 acres of valuable land. The improvements are, an exceeding good dwelling house two stories high, 42 feet long, by 36 feet wide, with a passage through the middle, three rooms below, and four above stairs, with fire places in all but one, and a dry sweet cellar, the size of the house, in which is a capital [illegible] with two rooms, and above is a fine airy pantry. A kitchen 36 by 18, two stories high, with a kitchen and laundry below, and lodging rooms for servants above. A walking house, meat house and dairy and in short every necessary improvement for the accommodation of a family; and a very fine collection of grafted and budded peach trees of the most approved kinds, chiefly from Princes nursery on Long Island, which are just beginning to bear. This property is situated in a healthy genteel neighborhood, about four miles from the city of Washington, five from Alexandria. Nearly one half is in wood and timbered, and the residue arable and meadow land, of the latter, there are about 50 or 60 acres under the scythe and more may be easily laid down. Perhaps no tract of the same size, abounds more in fine springs, there being a never failing stream in every field, besides an abundant one which runs through the meadow and from which the greatest part of it may be watered. 25 Dollars Reward.

RAN AWAY from the subscriber living in Gooch and county, on the 3rd Sept. 1803, A very likely negro man named SAM, who calls himself Samuel Commer—about 24 or 25 years old, of a yellowish complection, low but stout made; one of his upper fore teeth out, his dress chiefly of Virginia cloth with a plain dorants short coat—he is very sensible, can read and write so as to be understood. The said Sam was taken up with a negro belonging to Mr. James, in Cumberland county, near Centreville, about 20 miles above Fredericksburg, and made his escape from the men. Sam has wr te passes for both of them, and as the negro that was brought home said they was aiming for George Town, from thence to Pennsylvania; he saws at the whip saw and is a very good house servant—he will endeavor to pass for a free man—he is guilty of forgery—he signed the passes John Gondal, Hanslco. I do desire all persons to endeavor to apprehend the said negro, as he may be very injurious to the country if not taken and punished for his behaviour. All reasonable expences paid for delivering him to me at home, or the above reward for confining him in jail so that I get him again.

ORDINANCE

Of his Danish Majesty, defining what is to be observed by foreign vessels in regard to quarantine regulations.

HIS Majesty the King most graciously ordered by his mandate of the 12th of October last, that whenever any accounts are received of the existence of the yellow fever in the United States of America, or when no particular advice is received to the contrary from the minister resident there, all American vessels which are not provided with health certificates from the beginning of the month of July until the end of the year are to submit to certain quarantine regulations, and even if they are provided with such certificates, these vessels are still prohibited from communicating with the shore, before they have been visited by the appointed health physician, and if he has the least suspicion, then the vessel must be dealt with accordingly, in conformity to which, no American vessels during such a time shall be piloted, except having hoisted the green flag.

Which gracious command is hereby published for the regulation of all concerned. Given at the Danish Royal Chancery, on the 5th of November, 1802.

Extract of anord inance concerning quarantine regulations, and rules, to be observed by navigators who touch at the ports or coasts of the royal Danish dominions, dated at Copenhagen, the 14th November, 1800.

1. Every vessel belonging to our dominions shall have a green flag on board, to be used as prescribed hereafter.

2. Whenever a vessel arrives from a place where there has been contagion, and in all other cases of suspicion, such as having been visited by any vessel from the Barbary coast, having bales of merchandize on board from suspected places, and having not undergone a quarantine since in any other place, or having had any virulent sickness on board during the voyage, then the green flag shall be hoisted at the head of the mainmast, before any communication is had with any person whatever from the shore, and before anchor is cast.

3. The commander of any vessel offending against these orders, shall pay a fine of 500 rix dollars, (400 dollars) if no dangerous consequences ensue from his misconduct; but if otherwise he shall be punished with 12 years labor in the fortification—and should any malicious intent be proved upon him, he shall labor in irons during his life. Any vessel having had communication with another vessel that is suspicious, shall be subject to the same regulations and restrictions.

7. Should such a vessel be under the necessity of immediate communication with the shore, she must hoist her own national colors from the foretop, or under the green flag if she has no foremast.

8. After hoisting the color on the fore top, the signal for a pilot, the pilot shall immediately go on board, but not leave the ship board until the health physician has visited her—and for every day that the pilot is detained, he shall receive one rix dollar.

9. To prevent unnecessary delays to such vessels, as are arrived from places that might be suspected, (such as the Mediterranean or the West Indies) but still are secure and free from contagion, not having been at infectious places, nor having any infected merchandize on board, and not having had communication with any vessel which could be suspected—or, had any one sick or dead during the voyage we do order that for such cases all pilot shall be provided with blanks as hereafter written, which the captain and mate of such vessel shall sign, viz.

Undersigned N. commander of the ship, N. arrived from N. and N. W, mate of the said vessel, declare to their certain knowledge that neither any of the ships crew, or any other person, or any merchandize or thing of whatever kind on board the said vessel is infected with contagion or dangerous disease, and the said vessel has not been visited by any cruisers from the African coast or the Levant, and had none dead or sick with an infectious fever during the voyage, so help us God and his holy word; and if this deposition be found false, we subject ourselves to the laws of the land.

10. Blanks of this deposition will be printed in different languages, for the use of foreign vessels that may be subject to the quarantine regulations. As foreign vessels may not always be provided with a green flag, the pilots are bound to have one continually in readiness to be hoisted in aforementioned cases. If the green flag has been used longer than for one day, the pilot shall receive two rix dollars for the same, but the vessel may then keep it.

Any vessel sailing from the port of New York for his majesty's dominions from the 1st of July to the last of December, must be provided with (besides the usual bill of health) a certificate from the Danish vice-consul. Mr. Hammerkin resident at No. 78, Pearl street where attendance will be given.
