Valuable Lands and Lots
FOR SALE.

I Will fell, on liberal terms of payment, to accommodate purchafers, the following Property, bequeathed to me, in truft with power to fell, by the late Mr. Thomas Dick, of Bladenfburg, viz:

THE valuable FARM which he had in his own poffeffion, and lands adjoining thereto, containing in the whole upwards of 1300 acres. Thefe lands are fituated to the northward of Bladenfburg, on the Eaftern Branch of Potowmak river, about three miles diftant from that town, on a fine level road. From Bladenfburg to the City of Wafhington, by land, the diftance is about four miles, and by water five; and the Eaftern Branch is navigable for large craft to faid town. There is a great abundance of wood on the lands, and they are well watered in every refpect; have a confiderable quantity of rich bottom, fome of which is already in grafs. The improvements on the farm are good, and the whole under good fences. Thefe lands can conveniently be laid off into three parcels, with improvements to each, and will be fold together or feparately.

Part of a tract of Land, called Hills and Dales, lying in Montgomery county, on the north-weft branch of the Eaftern Branch of Potomak, about fix miles from Bladenfburg, and about the fame diftance from Wafhington, containing 70 1-4 acres.

Part of another tract, called Crawford's Adventure, lying to the fouth eaft of Bladenfburg, nearly adjoining the town, and adjoining the land of the late Richard Henderfon, efq containing 160 acres all in wood. And 83 1-2 acres of valuable Marfh and low land, on the faid Eaftern Branch, about half a mile below that town, and adjoining the faid lands of the late Mr. Henderfon.

The Houfe and Lot in Bladenfburg, on which the late Mr. Dick refided, containing about fix acres; this fcene of the beft fituation in the town, is generally admired, and commands a very extenfive view. There is a good garden, ice-houfe, ftable, and all other offices neceffary for the accommodation of a private family, and the lot and garden properly inclofed and all in good order. Should this houfe, &c. not be fold previous to the 1ft of December, it will then be to rent.

One other lot or parcel of ground adjoining the town lots, near the above mentioned houfe, and contiguous to the refidence of Richard I. Lowndes, efq. containing 9 3 8 acres.

Alfo, Lot No. 7, in fquare No. 704, in the City of Wafhington, being the north-eaft corner of that fquare, containing 9588 fquare feet.

A further defcription of the property is confidered unneceffary, as perfons inclined to purchafe will doubtlefs fatisfy themfelves by viewing the fame. Mr. John Hugh, at prefent refiding in Bladenfburg, will fhew the property, and the terms may be particularly known on application to him, or to

JOHN LAIRD, Truftee.

N. B. I hold 246 1-2 acres of Land, adjoining the above mentioned tract of Hills and Dales, which may be advantageous and defirable for the purchafer of the latter to have—and I will fell the fame on fimilar terms.

LECTURES.

IN a fcience fo various and complicated as the prefent fyftem of the LAW, nothing which tends to facilitate the progrefs of the ftudent can be deemed ufelefs It is with this view that the fubfcriber propofes to deliver during the winter, (and if fuitable encouragement offers, annually)

A COURSE OF LECTURES,
On Education, Belles Letters, Composition, History and Law.

The fubfcriber means to divide the fame into two diftinct courfes. The object of the divifion is, that young gentlemen who are defigned to fill ftations in active life, diftinct from thofe of the learned profeffions, may refort to that courfe of lectures which will be delivered without a relation to the Law, which will be the fole foundation of the other.

If the plan fhould meet with fuccefs, the fubfcriber contemplates furnifhing, next winter, a handfome Library, for the ufe of fuch gentlemen as feel defirous of patronifing the undertaking.

The municipal laws of each ftate will then be provided—That ftudents at law from any part of the United States will find it their intereft to repair to the Metropolis, to purfue their ftudies; where they will have the advantage of attending the Congreffional debates.

The facility of accefs which the houfes of Congrefs offer, is a circumftance peculiarly advantageous to the ftudent, and the youthful pleader, not only from the light which i thrown in the courfe of debate on controverted queftions of law; not only to be derived from witneffing the eager contefts, the vigorous attacks, the wary methods of defence, exhibited by men of the moft confpicuous talents, rivals alike in abilities and intereft but efpecially from this confideration, that the fpeakers are, in general, exempted by the nature of their functions, from thofe defects to which pleaders are peculiarly expofed.

The Lectures will commence the firft wee in December next, and continue until twelve diftinct Lectures in each courfe fhall have been delivered.

The terms may be known by applica perfonally, or by letters poft paid to
