Subj: Imagery Search of Thanh Tri Prison Area

Ref: A. Stony Beach IIR 0018-89 DTG: 160711Z Nov 88

B. Phone Con Name, IA-Analyst, VO-PW Analyst

1 In Ref A source reports that he was detained at Thanh Tri Prison and visited Xa Lim Bo Prison twice daily. After reading Ref A. Name conducted a cursory initial examination of Thanh Tri, the location the Ref A report seems to indicate, the former Co Loc wanting prison, and other suspect facilities in the area.

2 The initial results are: (As per 83-84 imagery)

a) Thanh Tri still seems to be active but somewhat overgrown;

b) There is a possible prison up the road from Thanh Tri but no inner compartmentization as described;

c) Co Loc Prison, the Zoo, is potentially still active;

d) There is no prison in the location cited.
