TO ADVERTISERS.

The Daily News has the Largest Circulation of any Daily Published in the United States.

We are willing to show our books to any advertiser who wishes to examine them, to satisfy him that what we say is correct. The price charged for advertisements in the **Daily News** is no more, and in some cases it is less, than the price charged by journals which have not more than half, or even one-third the circulation of the **News**. Advertisements inserted in all three editions without extra charge.

The DAILY NEWS is now the Cheapest Advertising Medium in Existence.

The **Weekly News** has a large circulation in every section of the country. Merchants, Manufacturers, Patent Medicine Dealers, and all classes of business men, will find its columns a very valuable medium to advertise in.

The **Sunday News** has a large circulation throughout the city and along the lines of the railroads leading from the city. Advertisements inserted on liberal terms—at lower rates than in any other Sunday paper published, when circulation is taken into consideration.
