Nevada Times,

ESTABLISHED 1866.

BY R. J. ALEXANDER, PROPRIETOR.

THE TIMES has a circulation of forty-three quires, 1,032, verified by affidavit in the office of GEO. P. ROWELL & Co., N. Y., or our subscription book. We believe the TIMES has the largest circulation of any paper in the Fifth Congressional District of Missouri, and is the oldest Democratic paper in the Southwest. The official paper of Vernon County, and the only paper published in Nevada, the County seat of Vernon. Recognized organ of the Democratic party, and one of the leading political journals of the Fifth Congressional District of Missouri, comprised of the counties of Bates, Benton, Cass, Camden, Cole, Cooper, Henry Hickory, Johnson, Miller, Morgan, Monitan, Pettes, St. Clair, and Vernon. One of the best advertising mediums in the Southwest, and is also THE SPECIAL ORGAN OF 10,000 LATELY ENFRANCHISED REBELS, and the Democratic party of the Sixteenth Senatorial District, that hold a large majority. THE TIMES is published in Nevada, Vernon Co., Mo., a town of 2,000 inhabitants, situated at the junction of the M. K. & T. and the L. & F. S. R.R., and on the located survey of the St. L. & S. F. Air Line, and the L. & G., and the N. & A. R. R. The city contains a population of 15,000 inhabitants. Nevada is an important point on account of its shipping of coal, grain, cattle, wool, and hogs, and from its commission business and railway works. R. J. ALEXANDER, Ed., Pub. & Pro'r.
