

ALABAMA.

lisher; objects to stating circulation; *the Southern Argus has a larger circulation in Selma and in Dallas county than any other paper ever had; it has a larger aggregate circulation in the counties penetrated by the six railroads that terminate here than any other two papers; it keeps at the head of its columns a claim to a larger circulation in Alabama than any other paper whatever, whether daily or weekly, and for two years the claim has not been challenged; it does not furnish its circulation to the "Directory," because other papers generally and often grossly exaggerate the number of their readers, and it is unwilling to have its real merits as an advertising medium compared with the unfounded pretensions of others; specimen copies sent on application.*
