Published in Staunton, Va. Subscription \$2, strictly in advance. Best advertising medium in the interior of the State. At the county seat of Augusta, one of the most populous and wealthy counties in the Valley of Virginia, which is, by far, the most populous and wealthy portion of the State. The first paper established there, nearly a century ago, is now in the 50th year of its existence under its present title, and is well sustained by the most substantial portion of the people. Its list of subscribers is larger than that of any other paper published in the interior of the State, and is equal to that of both the other papers published in Staunton.
