### THE "REPORTER"

The Democratic Party is in the Ascendancy in Napa County, and Recognizes the "Reporter" as its Earnest, Honest, and Zealous Exponent.

Napa county contains about 12,000 inhabitants, and has wealth equal to \$10,000,000 in value. Napa city has a population of 5,000; St. Helena has about 1,000; Calistoga, 750; Youngville, 250; besides several other smaller villages, in all of which the REPORTER takes the lead.

Napa county produces more wine than any other county in the State (1,100,000 gallons annually), has never lost a grain crop from drouth, has the most profitable quicksilver mines, and her people are the most prosperous community in America—judging by their wealth in money farm productions and improvements, and the lack of litigation.
