Populations in the United States, unmarked, are from the Official Reports of the Census of 1890, except in Michigan, where they are from the State Census of 1894. Those marked with an asterisk (*) are estimated. Canadian populations are mainly from the Census of 1891.

Circulations from which affidavits have been furnished, are printed in **bold-face** figures; those furnished by publishers, but not sworn to, are designated by a double-dagger (‡); those unmarked are estimated.

Where statement of circulation is omitted, we have been unable to obtain any satisfactory information, or the paper was established during the current year, or is entered for the first time in the ANNUAL, or else is issued for advertising purposes. The word "decline" indicates that the publishers have declined or objected to furnish any statement for publication.

County seats are indicated by a dagger(†).
