Indiana Farmer

INDIANAPOLIS, IND.

BORN 1845, AGE FIFTY YEARS.

Experienced advertisers value character and standing in the mediums they use. A paper that has always been careful in rejecting the questionable and fraudulent advertisements, constantly grows in the confidence of its readers. Such a paper in its very character commends the people whose advertising it carries. The INDIANA FARMER has been managed for fifty years in this way.

Indiana is completely covered by it, and there is no other way in which the farmers of this State can be approached. It is a thoroughly good paper, and appreciated by many farmers outside of Indiana, especially in Michigan, Kentucky and Illinois.

Our New York Office will give the same attention to communications as if sent to the home office.
