

IF you have anything to say to the agricultural classes, in any section of the country, say it in the *American Agriculturist*.

Its five distinct editions are arranged to cover every section of the United States and Lower Canada.

Advertisers can use either one, two, three, or all of the five editions, according to the field they wish to reach.

Circulation figures are given on the other side of this leaf. For rates, apply to

**ORANGE JUDD CO., Publishers,**

**CHICAGO, ILL.**  
Pontiac Building.

**NEW YORK, N.Y.**  
52 Lafayette Place.
