MR. DANIEL K. CASSEL.

My Dear Sir,—Agreeable to my promise to you when you were in Wilkesbarre, I beg to enclose the copy of the marriage certificate of my grandfather Benjamin Morgan. I have made it a "verbatim copy," *not* correcting the errors which it contains. The capitalization and the punctuation are precisely as in the original. The signatures are in five columns ruled as in the copy. I trust that it will be entirely plain and clear to you, as to the general form of the document. I think you understood that I desired my name added to the subscription list for a copy of the work with a good substantial binding. I shall be glad to do anything further for you at any time.

Very truly yours,

BENJAMIN F. MORGAN.
