The TIMES is a commercial and political paper, devoted to the development of the material resources of North-West Louisiana, Eastern Texas, and South-West Arkansas. The LEADING DEMOCRATIC PAPER OF LOUISIANA, consequently has a VERY LARGE CIRCULATION, at least four times larger than any paper in the State outside of New Orleans, and as an advertising medium is unequalled in this section. Published at a point that ships annually a hundred thousand bales of cotton, mostly from Texas, the TIMES is almost as much of a Texas as a Louisiana paper. Rates liberal; furnished on application.
