JOHN A. HENRY, EDITOR AND PROPRIETOR.

A peculiar feature of the GAZETTE is that as a neighborhood paper it perhaps is not excelled by any county journal in the whole country. It is the only paper in the county, and is eagerly read by the presides of a staunch and industrious rural population. Advertisers cannot so directly or quickly reach the county population by any other means. It has the confidence and patronage of its county people, and therefore can better introduce advertisers to them than any sheet published abroad. Rates, 50 cents per inch, each insertion.
