PUBLISHED WEEKLY AT

CLARKSVILLE.....TEXAS.

E. P. RUTHERFORD, EDITOR; HAMILTON & RUTHERFORD, PUBLISHERS.

Terms, \$2 50 per Annum, in Advance.

The TIMES, while political in its character, yet is mainly devoted to the building up and improving of home interests, and to the development of the material resources of North-east Texas. The Immigrational, Agricultural, Social, Political, Educational, and Railroad Interests of this section will claim our constant attention, and to their development will be devoted all the energies we possess. In politics the TIMES will be democratic, and while its tone will be firm and decided, yet it will hold itself free to endorse or to condemn measures, and will never, under the pressure of party dictation, be the advocate of what it conceives to be wrong. All the influence which it wields will be exerted to disclose and make known the frauds and corruption practiced by those in official places, and will be a zealous and unflinching opposer of centralization, and everything tending to blot out the rights of the States. Immigration, and the development and improvement of Red River county and Clarksville, and everything pertaining to their material interests, will always find in the TIMES a sincere champion. We therefore appeal to all who have any interest in the development of our country to give us a liberal support, and thus, in helping themselves, assist us.
