**TO ADVERTISERS.**

The DAILY NEWS has the largest circulation of any daily published in the United States. We are willing to show our books to any advertiser who wishes to examine them, to satisfy him that what we say is correct. The price charged for advertisements in the DAILY NEWS is not more, and in some cases it is less, than the price charged by journals which have not more than half or even one-third the circulation of the NEWS. Advertisements inserted in all three editions without extra charge.

The "Daily News" is now the Cheapest Advertising Medium in Existence.

The WEEKLY NEWS has a large circulation in every section of the country. Merchants, manufacturers, patent medicine dealers, and all classes of business men will find its columns a very valuable medium to advertise in.

The SUNDAY NEWS has a large circulation throughout the city and along the lines of the railroads leading from the city. Advertisements inserted on liberal terms—at lower rates than in any other Sunday paper published, when circulation is taken into consideration.

DIE TAGES-NACHRICHTEN has the largest circulation of any German daily newspaper published in the world.

DIE SONNTAGS-NACHRICHTEN has the largest circulation in the city of any German Sunday paper issued.

All classes of merchants and dealers who are seeking for German trade will find advertisements in the columns of the TAGES and SONNTAGS-NACHRICHTEN reach a larger number of readers than they would by any other channel.
