FOUNDRY AND BLACKSMITH'S SHOP

HABS No. AL-992

Documentation for the Foundry and Blacksmith's Shop was prepared as an entry for the Charles E. Peterson Prize competition in 1992-93. Only the field notes arrived in the HABS Office; the drawings were sent under separate cover and have not been located in the ensuing fifteen years. Therefore, the field notes for this structure which include the field measurements and photographs have been transmitted to the Library of Congress and will be available to researchers by request.
