|----------|--|
| AZ-78-19 | View looking southwest toward headquarters and bunkhouse |
|----------|--|

- AZ-78-20 View looking north of copper smelter
- AZ-78-21 View looking southwest of copper smelter
- AZ-78-22 View looking east of copper smelter and possible loading platform
- AZ-78-23 View looking southwest toward headquarters with test pit in foreground
- AZ-78-24 View looking southwest of headquarters
- AZ-78-25 View looking east at interior dining room wall of headquarters
- AZ-78-26 View looking north toward headquarters with smelter in the background
- AZ-78-27 View looking east toward headquarters east and west dugouts on the right
- AZ-78-28 View looking south at interior of west dugout
- AZ-78-29 View looking west of concrete pad with hoppers and furnace
- AZ-78-30 View looking northeast of concrete slab with oil-change platform on the left
- AZ-78-31 View looking southwest toward bunkhouse with outhouse in foreground
- AZ-78-32 View looking southwest of bunkhouse
- AZ-78-33 View looking northeast of bunkhouse with laundry room addition on the right
- AZ-78-34 View looking northeast of interior of bunkhouse (center room)
- AZ-78-35 View looking southwest of powder house
- AZ-78-36 View looking northwest of powder house interior
- AZ-78-37 View looking north toward wood retaining wall and old machinery pile with tailings in the foreground
- AZ-78-38 View looking north of old machinery pile and concrete pad
- AZ-78-39 View looking north of wooden retaining wall
- AZ-78-40 View looking west toward wooden shed with concrete tank on the right
- AZ-78-41 View looking southwest toward wooden shed with concrete footings and concrete tank in the foreground
- AZ-78-42 View looking southwest toward wooden shed with concrete tank on the right and concrete footings in the foreground
- AZ-78-43 View looking north of blacksmith shop and stone wall
- AZ-78-44 140° view of mine site showing fenced off mine shafts and tailings piles. This negative forms a 360° composite panoramic when joined with AZ-78-45 and AZ-78-46. See AZ-78-57-CT for color version

- AZ-78-45 140° view of mine site showing tailings piles. This negative forms a 360° composite panoramic when joined with AZ-78-44 and AZ-78-46. See AZ-78-55-CT for color version
- AZ-78-46 140° view of mine site showing wooden shed, concrete tank, and fenced off mine shafts. This negative forms a 360° composite panoramic when joined with AZ-78-44 and AZ-78-45. See AZ-78-56-CT for color version
- AZ-78-47 140° view of mine site showing landscape. This negative forms a 360° composite panoramic when joined with AZ-78-48 and AZ-78-49. See AZ-78-60-CT for color version
- AZ-78-48 140° view of mine site showing landscape. This negative forms a 360° composite panoramic when joined with AZ-78-47 and AZ-78-49. See AZ-78-59-CT for color version
- AZ-78-49 140° view of mine site showing landscape. This negative forms a 360° composite panoramic when joined with AZ-78-47 and AZ-78-49. See AZ-78-59-CT for color version
- AZ-78-50 140° view of mine site showing tailings piles, smelter, headquarters, and dugouts. This negative forms a 360° composite panoramic when joined with AZ-78-51 and AZ-78-52. See AZ-78-63-CT for color version
- AZ-78-51 140° view of mine site showing Mine Canyon and oil-change platform. This negative forms a 360° composite panoramic when joined with AZ-78-50 and AZ-78-52. See AZ-78-62-CT for color version
- AZ-78-52 140° view of mine site showing bunkhouse. This negative forms a 360° composite panoramic when joined with AZ-78-50 and AZ-78-51. See AZ-78-61-CT for color version

INDEX TO COLOR TRANSPARENCIES

James Rosenthal, Photographer, June 2010

- AZ-78-53 (CT) View looking southwest of headquarters, dugout, outhouse, bunkhouse, concrete pad and hoppers, and tailings piles to the right
- AZ-78-54 (CT) View looking north of copper smelter and possible loading platform on the right
- AZ-78-55 (CT) 140° view of mine site showing tailings piles. This negative forms a 360° composite panoramic when joined with AZ-78-56-CT and AZ-78-57-CT. See AZ-78-45 for black and white version
- AZ-78-56 (CT) 140° view of mine site showing wooden shed, concrete tank, and fenced off mine shafts. This negative forms a 360° composite panoramic when joined with AZ-78-55-CT and AZ-78-57-CT. See AZ-78-46 for black and white version

- AZ-78-57 (CT) 140° view of mine site showing fenced off mine shafts and tailings piles. This negative forms a 360° composite panoramic when joined with AZ-78-55-CT and AZ-78-56-CT. See AZ-78-44 for black and white version
- AZ-78-58 (CT) 140° view of mine site showing landscape. This negative forms a 360° composite panoramic when joined with AZ-78-59-CT and AZ-78-60-CT. See AZ-78-49 for black and white version
- AZ-78-59 (CT) 140° view of mine site showing landscape. This negative forms a 360° composite panoramic when joined with AZ-78-58-CT and AZ-78-60-CT. See AZ-78-48 for black and white version
- AZ-78-60 (CT) 140° view of mine site showing landscape. This negative forms a 360° composite panoramic when joined with AZ-78-58-CT and AZ-78-59-CT. See AZ-78-47 for black and white version
- AZ-78-61 (CT) 140° view of mine site showing bunkhouse. This negative forms a 360° composite panoramic when joined with AZ-78-62-CT and AZ-78-63-CT. See AZ-78-52 for black and white version
- AZ-78-62 (CT) 140° view of mine site showing Mine Canyon and oil-change platform. This negative forms a 360° composite panoramic when joined with AZ-78-61-CT and AZ-78-63-CT. See AZ-78-51 for black and white version
- AZ-78-63 (CT) 140° view of mine site showing tailings piles, smelter, headquarters, and dugouts. This negative forms a 360° composite panoramic when joined with AZ-78-61-CT and AZ-78-62-CT. See AZ-78-50 for black and white version
