HISTORIC AMERICAN BUILDINGS SURVEY

ASPINWALL BUILDING (Commercial)

HABS No. GA-2289

Location:

The Aspinwall Building is located on the southwest side of U.S. Highway 341, seventy-five feet southeast of South Church Street (Odum Road/County Road 388).

Significance:

The Aspinwall Building is historically significant as a c. 1910 commercial structure located within the town of Odum. It contributes to an understanding of the commercial development of this early twentieth century railroad town.

Description:

All that remains of the Aspinwall Building is a brick shell which measures approximately 20 feet wide by 28 feet deep. Architectural details still apparent include 2/2 wood sash windows, and a front entrance with transom light. Both the floor and roof are gone, allowing for the growth of vegetation within this shell.

History:

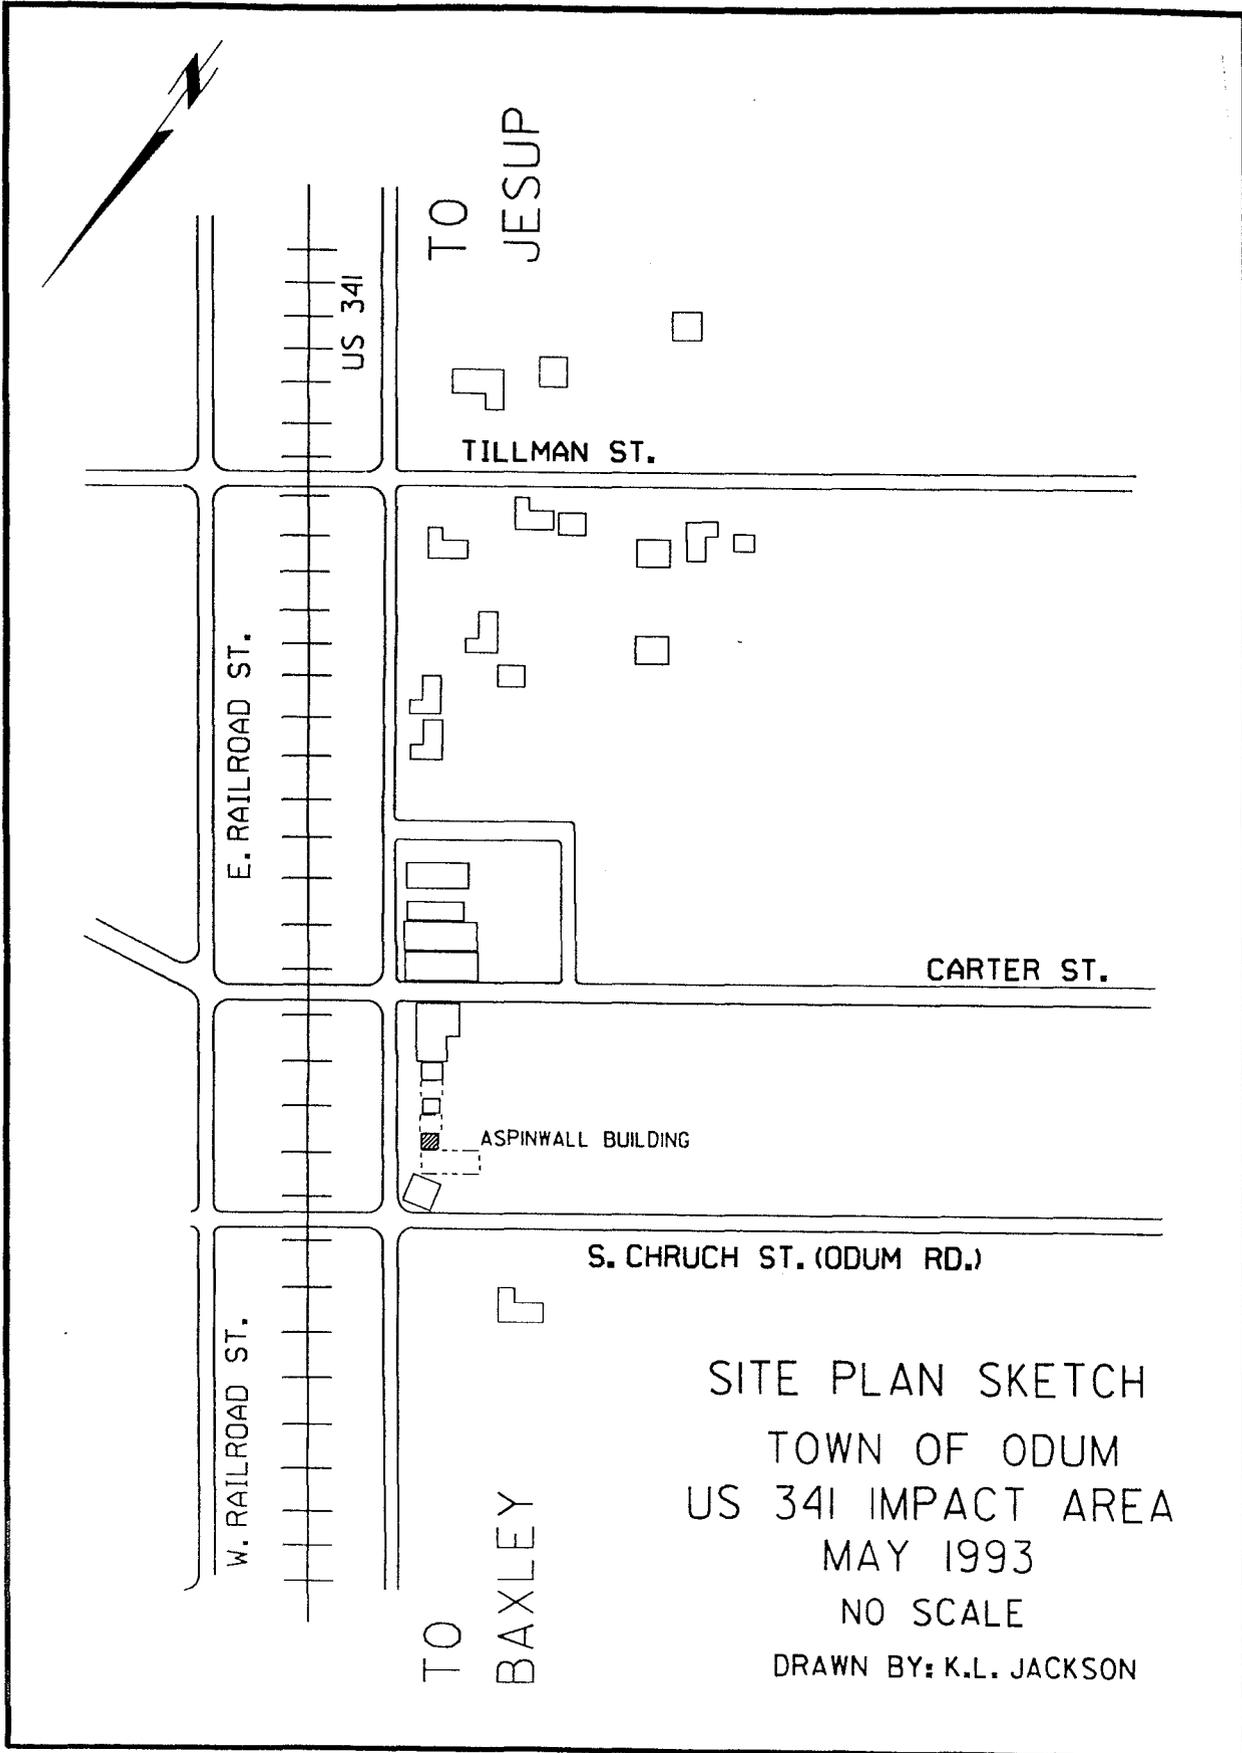

The Aspinwall Building was constructed c. 1910. The Aspinwalls acquired the building and its current tract (20 feet fronting U.S. Highway 341 by 93 feet deep) on July 30, 1925. D.M. Aspinwall purchased it from W.G. Odum (Wayne County Deed Book 46, page 506). On October 25, 1920, Odum acquired the building on a larger tract, 48 feet fronting by 93 feet deep, from E.W. Ogden (Wayne County Deed Book 43, page 298). On December 8, 1916 Ogden purchased the building from the Odum Banking Company (Wayne County Deed Book 39, pages 233-34). The Odum Banking Company acquired the building from the Pickens Company on April 28, 1916 (Wayne County Deed Book 39, pages 46-49).
