BATES HOIST MACHINE
1512 Fleet Street
Baltimore
Independent City
Maryland

HAER MD-169

Photos taken in situ before relocation to Baltimore Museum of Industry.

INDEX TO BLACK AND WHITE PHOTOGRAPHS

Todd A Croteau, photographer, 2008

- | | |
|-----------|---|
| MD-169-1 | 3/4 Exterior view of building. Elevator located in back of building. |
| MD-169-2 | Interior view of first floor with elevator in background. Note that floor was originally two feet higher, but was dug out for new concrete floor. |
| MD-169-3 | Elevation of elevator on first floor. |
| MD-169-4 | 3/4 view of elevator on first floor. Note that a stairway attached to the right side of the elevator has been removed. |
| MD-169-5 | Detail of elevator frame at top left corner showing track, cable and builder plate. |
| MD-169-6 | Detail of elevator frame viewed from second floor. |
| MD-169-7 | Elevator shaft looking up. |
| MD-169-8 | Interior view of second floor with elevator shaft in background. |
| MD-169-9 | 3/4 view of elevator on second floor showing drive wheel on left side and brake levers at top. |
| MD-169-10 | Detail of elevator shaft showing sheaves, brake levers, and counterweight box against brick wall. |
