|----------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| NY-551-1 | Rainbow Bridge spanning the Niagara Gorge, looking downriver, north-northeast from the American side. It is a 950 ft.-long, open-spandrel, steel deck-arch with arched masonry approach spans. |
| NY-551-2 | View of Rainbow Bridge, looking downriver, northeast from the Canadian side, with the American Falls at right. |
