Worker's House (TENN-26)

STRUCTURE

1724 N. Jefferson St. Brick, approx. rectangular main block (three-bay front), one story, gable roof, bracketed cornice, one inside end chimney, rear extension with shed roof; side-hall plan. Built ca. 1870. An example of the Italian villa style reduced to basic essentials, it is typical of the small, two-, three-, or four-room
