Structure Callister, Bishop Thomas, House (U-75)

30 West Center Street. Brick, one-and-a-half stories, gabled roof, five dormers similar to "Dixie" dormers, differing only in extreme steepness of roof and consequent shortness of sides. Dormers have lancet arched windows. Built 1870; Hans Hanson and Sons, builders; modernized and enlarged for motel use. 1 ext. photo (1968); HABSI form (1968).

Card prepared April 1975.
