A Garden Full of Gladioli for \$1.00

The Gladiolus is one of the most satisfactory flowers grown because it blooms continuously when it is cut and put in water, just as well as when in the ground.

There is no reason why every family cannot enjoy this grand flower—it is as easy to grow as the potato.

You can have them in bloom from July to frost if you plant a few bulbs each month from April to July.

For only ONE DOLLAR we will send 75 Bulbs of our Grand Prize Mixture, which covers every conceivable shade in the Gladiolus kingdom.

Last year we sold thousands of these bulbs and have received numerous testimonials as to their merits.

ORDER YOUR BULBS NOW so as to have them to plant when you begin making your garden. Present this advertisement at our store or mail with Dollar Bill, Stamps or Money Order and secure this splendid collection of Gladiolus Bulbs for only \$1.00, prepaid to your home, anywhere in the United States, with our 1916 Spring Catalogue.
