CORRECTLY to design a corset is a matter of knowledge—knowledge of style and health requirements.

The corset is too fundamental an article of dress, too definitely the foundation of everything else, to be otherwise designed.

That is why thousands of women buy by the name

Lily of France

They let no question of style or health correctness concern them. They trust implicitly to the expert knowledge which, for nineteen years, has met their exacting requirements.

The Whitcomb Channel Crib

This improvement in Whitcomb cribs means far easier working of the side, preventing binding or jamming. Whitcomb cribs have rigidity and give long wear. Many moderately priced enamel patterns, very attractive when equipped with draft shields and mattress. Let us show you the new designs in brass and enamel beds and cribs.
