SHOE CRAFT

27 W. 38th St. New York

Fitting The Narrow Foot

Did you ever see a man in a woman's specialty shop? It is an every-day occurrence here. A few days ago Mr. W. of St. Louis called and bought several pairs of shoes his wife had chosen from the "ShoeCraft" catalog. She wears an 8 AAA, and could be fitted nowhere but here. If you live out-of-town write for our catalog. You'll find your foot and have your A 31; choose your footwear and have your husband call next time he is in N. Y., or order by mail with our guarantee of perfect fit. Follow measurement instructions and either way will prove satisfactory.

Do you wish a shoe that typifies every unique feature of "ShoeCraft" footwear? Order the Wykeham boot. It fits like an old glove, and it radiates the trim, sleek smartness of Fifth Avenue. May be had in the new colors and combinations, from a conservative black to the most daring two-tone symphony of colors. No matter what size or width you wear you will find your size if you order Wykeham, for we have an unprecedented range of sizes in stock. The uncertainty in the leather market makes prompt ordering an economy.

WYKEHAM, \$14.
