

## Letter from C. Francis Jenkins to Arthur W. McCurdy, January 21, 1898

THE JENKINS PHANTOSCOPE C. FRANCIS JENKINS ELECTRICAL & MECHANICAL  
ENGINEER 1325 F St. Northwest WASHINGTON, D. C. Moving Picture Cameras Printers  
Developers Perforators Jan. 21, 1898. Mr. Arthur McCurdy, 1331 Conn. Ave., Washington.  
Dear Sir:

I am in receipt of yours mailed yesterday, inclosing check for \$10, for which will you please  
tender Mr. Bell my sincere thanks. Within thirty days I will have some photographs which  
will please Mr. Bell, as I am today beginning the construction of a portrait camera with  
which I will demonstrate the lip reading. Until then, believe me,

Sincerely yours, C Francis Jenkins
