

Letter from Alexander Graham Bell to B. H. Warner, April 8, 1904

647 April 8, 1904 Mr. B. H. Warner, 916 F Street, N. W., Washington, D. C. Dear Mr. Warner:—

Mr. C. E. Park a deaf mute appears to be a worthy man anxious to obtain employment in Washington. He belongs to the District and received his early education at Kendall Green; Dr. Gallaudet and all the people he has come in contact with seem to speak well of him. I am anxious to do something for Mr. Park but do not know just how I can help him. Could you help him to get something here?

Yours sincerely, Alexander Graham Bell
