

Letter from Arthur McCurdy to Sarah Fuller, August 11, 1895

copied Beinn Bhreagh, 81 Victoria County, Cape Breton, N.S. August 11th.1896. Miss Sarah Fuller:— Dear Madam:—

Mr. Bell is hard at work on flying machines, and tells me to say that I have caught him on the fly and he has only time to say that he has sent a check for four hundred dollars to Mr. Charles Dudley Warner on account of Helen Keller's expenses — that you will know what to write to Mr. Warner.

Yours truly, Arthur McCurdy Private Secretary.
