Mr. Graham Bell has just returned and on reading your letter of the 7th, said “That letter has come just at the right time. Miss Fuller has given me my work. I will go right ahead with it before other things interfere. ?

Mrs. Bell and Elsie and Daisy are all well. Among other things Japanese they have brought twenty two ducks and two dogs.. The halls are full of packages and their friends are at the unpacking.

Their trip to Japan was a very delightful one.

Yours sincerely, Arthur W McCurdy. Private Secretary.
