

Letter from D. C. Gilman to Alexander Graham Bell, December 24, 1900

JOHNS HOPKINS UNIVERSITY. BALTIMORE. PRESIDENT'S OFFICE. Dec. 24, 1900.

Dear Dr. Bell:—

I am very grateful to you for all your comments on Mrs. Chamberlin's project which I have read and returned to the Volta Bureau in another envelope. I have written to her saying that my own action is suspended until I hear again from her, and I mentioned that I had consulted with you.

Yours Sincerely, D. G. Gilman
