

Circular from Joshua Garrett to Alexander Graham Bell, July 3, 1888

1

—(NUMBERS & LETTERS GIVE REFERENCE, COMBINATION, ETC.)— •

Dispatch from The Fool Killer July 3, 1888.

1. • J. G. P. P. S. & C. A DISPATCH FROM THE FOOL-KILLER!!!

(A1) "What fools these mortals be."— *Shakespeare*.

(2) My vigils I have failed to keep,

(3) Hence the Angels have cause to weep.

(4) But expect me, at an early day—

(5) To go abroad and earn my pay.

(6) All experience only lends to the view,

(7) That DARWIN "built better than he knew,"

(8) WHY? *We are dealing with the 'MODERN WORLD' in mood and mode—*

(9) *That is fast adding volume to a crushing load!!! * * **

Joshua Garrett JAN. 18, 1888, 248 E, 34th St., N. Y. (LODGINGS ONLY.)

NEW YORK CR

Library of Congress

(OVER)

Mr. Bell Esq Telephone Inventor

17 FIRST PRINCIPLES SCAMPED ? • ALL IS LOST!!! • AS—“THE GREATER INCLUDES THE LESS.” (A17) Authorities differ.

(B17) These prints are According to Joshua Garrett, P. P. S. & C. False

(10) LONDON, ENG.

(11) NEW YORK CITY.

(12) PHILADELPHIA, PA.

(13) BOSTON, MASS.

(14) BALTIMORE, MD.

(15) WASHINGTON, D. C.

(16) CHICAGO, ILL.

2

39 FIRST PRINCIPLES SCAMPED? • ALL IS LOST!!! “ *Major continet in se minus.* ”
Meaning of 39? 34 to 36 Page 2.

(18)• VITAL REASONS FOR * * * UNIVERSAL EMPIRE!!!

(19) EVOLUTION? **Nothing is at rest—Nothing can survive, but exponent (type) of Principles!!!**

(20) Only a principle and its best exponent (type) are one, indestructi??? ?ivisible.

Library of Congress

(21) All the world in one Empire, is the best exponent Government.

(22) EASTERN VS. WESTERN CIVILIZATION? —BEAUTY & Christian world is “between

(23) the devil and the deep sea

(24) 1 st:—Capacity of our Planet ??pport the Human family vs. “ tide of hungry savage democracy” forced (25) onward by the commerce of sex, big infidelity, anarchy contempt for all valued by good men.

(26) 2 nd:— DARWIN vs. The beast in Asia, learning arts of war, will neutralize the prestige of (27) Europe—wasted by war, sapped * * * then numbers will obtain, 5 or 10 to 1. * * * Beauty & Booty of the west!!! (28) “All permanent conquest has come from the East.”— *Disraeli*. “What fools these mortals be.”— *Shakespeare*.

(29) In Russia * * * natural figurehead to the Hordes of Asia—all the conditions are on tap, to repeat the bloody revolution (30) that sprung the first Napoleon on the world!!! He tried to lead the Hordes of Asia to the west.— *See Campaign in Egypt*.

(31) How do the Christian world conserve a community of interests, *more* than vital? by glaring on each other like beasts (32) of the jungle, with Arsenals of death & destruction, where a 'chance shot may destroy the 'balance of power—resulting (33) in Chaos!!! (A33) DARWIN? Knowledge is not on tap where man came from!!!

(34) Planet Capacity to support the Human family— *limited*: vs. Sex Capacity to increase the Human family— *unlimited!!!*

(A34) •The Sound & Fury of war? vs. The Silent Forces of Nature!!!•

(35) Those 2 forces (34) • will force rank Socialism to the front—destroy Civilization; if not neutralized by the best type (36) of LAW & USAGE, in the grip of Universal Empire—curbing vicious INNOVATION, plus infinity.

Library of Congress

(37) “Behold, the name of the LORD cometh from far, burning *with* his anger, and the burden *thereof is* heavy; his lips are full of indignation, and his tongue as a devouring fire.” Isaiah, 30-27. (These prints go to Europe.)

(38) “He shall not fail nor be discouraged, till he have set judgment to the earth; and the isles shall wait for his law.”—Isaiah, 42-4. April 18th, 1888. (OVER)

JULY 3, 1888. GARRETT'S HYDRAULIC STEAM ENGINE.

\$2,000 IS WANTED TO MAKE A WORKING MODEL OF THE ABOVE SUBJECT.

—(NUMBERS & LETTERS GIVE REFERENCE, ETC.)—

(1) “The more we say—the less People remember,” *i. e.* the Sequel is lost in (2) volume of detail & feature. (A2) To Non-Professionals; not 'up in Steam (3) Power, this subject * * * is a dead letter. (A3) To sodden Ignorance, Apathy (4) & Prejudice—Explanation is a bid for the Fool-Killer.

(5) Those 2 Parties (A2 & A3) include all the world. Hence: “Progress has a (6) Rocky Road.” (A6) Philadelphia People, holding my Stock—were offered (7) Telephone Stock *in the same way*, at 12 & 16 cents a Share; that advanced to (8) \$2,600 a Share! when the Telephone Merits, were translated in a Sample-Working (9) Model.

(10) As I try—Mr. Bell tried to convert Others, to faith in a subject—Intangible, (11) Imponderable, a question Experimental—without a parallel on Earth.

(12) As I have—Mr. Bell had years of Experience * * * Others, (dead & buried (13) to the subject, and Strangers to the Inventor) were taken at a moments notice.

(14) Why speak of Mr. Bell? *i. e.* A test case, (like sample of goods) locates a (15) Principle— *the* Principle in this subject, representing *all* INNOVATION.

Library of Congress

(16) I am 20 years dealing with the MOTOR subject, but only a few months (17) dealing with this feature of the subject. In 8 years & 50 cities U. S. A. I have (18) sold about \$5,000 of stock, to Evolve the above subject of great labor * * *

19 First Principles Scamped? •ALL IS LOST!!! “ *Major continet in se minus.* ” (“The Greater Includes the Less.”) Meaning of 19? Only the best type of LAW & USAGE, in the grip of Universal Empire, will conserve Christian Civilization!

(A19) “INSTITUTIONS are not made, they grow,”—cannot sow and reap at once.

(B19) I labor to call a congress of conditions—resulting in Universal Empire.

(C19) Example: Ericsson's Monitor compelled the Powers to rebuild their Navies from the keel, (D19) I am coming to the front, with the best type (exponent) of Steam Power—increasing the capacity & value of the Steam Engine, *full 95 per cent.*

(E19) Ships will be drove 40–50 miles an hour! Nothing can stand that strain now. War Ships costing \$5,000,000, must be re-built from the keel!!! *i. e.*, the Arts of War as a burden, will take on features so radical, complicated, crushing * * * they will be pooled for the Arts of Peace, in UNIVERSAL EMPIRE.

(F19) Invention? (The only road to Progress) Translates the bounty of GOD, (nature) to the wants of Man. To find a better type of Progress—the Innovator must compromise the present type—that means war with the hog in Human Nature. Shades of DARWIN!!! (G19) Hence: The *Import* of ISAIAH, as below—

(20) For every battle of the warrior *is* with confused noise, and garments rolled in blood; but *this* shall be with burning *and* fuel of fire. IX. 5.

(21) As *when* the melting fire burneth, the fire causeth the waters to boil, to make thy name known to thine adversaries, *that* the nations may tremble at thy presence! LXIV. 2.

Library of Congress

(22) For unto us a child is born, unto us a son is given; and the government shall be upon his shoulder; and his name shall be called Wonderful, Counsellor, The Mighty God, The Everlasting Father, The Prince of Peace. IX. 6.

(23) He shall not cry, nor lift up, nor cause his voice to be heard in the street. [XLII. 2.

24 He shall not fail nor be discouraged, till he have set judgment in the earth; and the isles shall wait for his law. XLII. 4.

(H19) "Authorities Differ." These prints are according to Joshua Garrett, P. P. S. & C.
