American Folklife Center Permission and Release Form: Interviewer

I am a field worker or field supervisor participating in a collecting project of the American Folklife Center at the Library of Congress.

By clicking the "I Agree" button, I hereby grant to the Library of Congress the perpetual, nonexclusive, transferable, worldwide right to use, reproduce, transmit, display, perform, prepare derivative works from, distribute, and authorize the redistribution of, the recording(s), images, and other forms of documentation (collectively, "Documentation") generated by the interview that I am submitting herewith, but only to the extent of my rights in the Documentation. This permission is limited to use of the Documentation for archival purposes (such as preservation and service to the public) and for non-commercial projects of the Library of Congress. This permission authorizes use of the Documentation on the Library's Web site, on third party Web sites, and in/on all existing and future forms of media.

I hereby release and discharge the Library of Congress from any and all liability arising out of any injury of any kind which I or my associates may sustain from participation in this project.

I warrant that I have the full right, power, and authority to grant this permission and release.
