To meet a demand which we—in common with other Advertising Agencies, and a large mass of the outside public—have long felt to be an important one, is the object of the present volume. When our Agency was established, four years ago, we found it exceedingly difficult to procure lists of newspapers of any kind, and these were scattered through almanacs, directories, registers, etc., in such a way as to render a complete list out of the question, and a comparatively correct one impossible. At considerable expense and trouble, something like twelve States, all told, could be thus collected, while double that number remained entirely unrepresented.

A small volume, published in 1861, purported to contain the names of all newspapers issued, but experience taught us that a large proportion of these had long before ceased to exist, while an equal number, springing up in their places, remained unnoticed by the author. A *correct* list in a single State was then of great value, while a *complete directory* would have commanded a large and remunerative sale. In proof of this, we instance a gentleman of our acquaintance who, shortly after the close of the late war, secured a list of papers in the Southern States, compiled with considerable accuracy, and this was regarded as of so much value by advertisers that single copies were, without difficulty, sold for the sum of *one hundred and fifty dollars*.

It is true, every Advertising Agency possessed lists more or less correct, but each one looked upon them rather as a part of the stock in trade than for public examination. They were and still are by many, guarded with great vigilance and care, while to possess them requires the surmounting of many difficulties. In this way the advertiser—of necessity, in a great measure, unfamiliar with the best mediums—has been forced to leave their selection to his agent, who, in some cases, it may well be feared, consulted his own interests rather than those of his customer, by giving the preference to such publications as would yield *him* largest profit, and with which he could transact the business most agreeably.

For these and similar reasons, as well as to obviate difficulties we were daily encountering in our intercourse with customers, we determined to introduce the newspaper press more generally to the public than had ever before been done, believing we should thereby increase our own business and best serve the interests of our customers, since, with a complete Directory in their possession, they could at once, and without further trouble, obtain that information concerning the best advertising mediums, their location, characteristics, etc., of most importance to them.

Keeping this object steadily in view, in November, 1866, we issued the first number of the ADVERTISERS' GAZETTE, which met with such unexpected success that it has since been continued regularly, and has gained an enviable position among the country's publications. In it we published, from month to month, Lists of Newspapers in different sections, until every State had appeared, together with new newspapers, consolidations, suspensions, changes, removals, etc. The Lists, afterwards printed in pamphlet form and at a moderate price, secured a large sale among advertisers, and obtained no little notoriety. But the information they gave was not sufficient. The name of the paper and place of publication alone was given, so that one could not judge which was best or most profitable for his use. We have been frequently importuned by our customers to publish more general information, bu

the difficulty of obtaining such as would be reliable has heretofore prevented our undertaking the enterprise. The task is by no means a light one, nor can it be speedily accomplished. Of the five thousand blanks first forwarded to publishers, with a particular request that they be filled out and returned, in order that their papers might be properly presented in the forthcoming Directory, less than *five hundred* were responded to.

Determined, nevertheless, to accomplish our purpose, we placed the matter in charge of a competent editor, as thoroughly versed in the subject as any person could be from an experience and observation of several years. After nearly a year of constant labor, devoted to correspondence, gazetteers, atlases, directories, and publications of all kinds bearing on the subject, he has succeeded in compiling the information in the following pages.

That, notwithstanding all our care and research, the work will be found to contain imperfections, we doubt not. It has been our aim to surmount all obstacles as far as possible, and present, as accurately as we could, the facts connected with each paper; but as the newspaper world is constantly changing, (fifteen new publications on an average appearing every month, while suspensions, consolidations, etc., are numerous,) a work of this kind can *never* be done; hence we propose to regard the present work rather as AN ANNUAL, which shall be published at a stated time each year, with corrections, addenda, etc. Pursuing this course we are confident our Directory will be found a *reliable Index to the Newspapers of America*.

We have always believed, and labored in the belief, that, as Advertising Agents, it was and should be in our power to be of material service to both advertiser and publisher, and we know no better way to convince them of the value of our services than by issuing this book, thus enabling them to communicate without our aid; this we do in the belief that we shall thereby the sooner persuade them of the utility of employing and encouraging our agency.

We take this opportunity to say to newspaper publishers, that in our intercourse with all parties we intend to deal on strictly conscientious principles. We never shall charge an advertiser any more than he would be required to pay at the office of publication, if we know it. And, although we will not take business, when we can well avoid it, for those papers not allowing us a commission, yet shall give those papers a decided preference over such as, while claiming to allow the usual commission, *dishonestly add the amount to their cash charge*, or make a practice of allowing the commission to every one who asks for or demands it, without any effort to protect the honest Agent.

We are free to admit we consider the commission usually allowed Agents too great, and recommend its reduction to a figure which will make it a less onerous tax upon the publisher. In this way the reliable Agent will, as he ought, be a greater benefit to all parties.

With this explanation of our objects and wishes, we submit our book to the kind consideration of the public, more particularly the advertising public, and trust that in its compilation and issue we may be allowed to have performed good service.

THE BULLOCK PRINTING PRESS CO.

INVITE ATTENTION OF PUBLISHERS TO THEIR
NEW SELF-FEEDING & PERFECTING PRESS.

These Machines are entirely different from any other in use as they feed themselves from a roll of paper, and print both sides of the sheet at once. They are the most economical press in the world. Their success is undoubted, having been in daily use for five years. The following establishments use them, and are referred to: The New York *Sun*, the New York *Herald*, the New York *Democrat*, The Philadelphia *Inquirer*, the Philadelphia *Demokrat* (German), and the Government Printing Office, Washington City.

Of these Machines the New York *Herald* writes:

OFFICE OF THE HERALD, }
NEW YORK, Jan. 13, 1869. }

SIR: In reference to the Bullock Press, we are pleased to say that we have had two of them at work in the Press Room of the *Herald* since July last, and so far they have given entire satisfaction. The quality of the work turned out from them is equal, if not superior, to any other News Press, and the undisputed fact of their economy in the *saving of labor*, and in the *trifling and inexpensive* nature of the repairs necessary to keep them in order, make them particularly desirable. Yours,

J. GORDON BENNETT, JR.

THE NEW, REVISED AND ENLARGED

DIRECTORY OF BOOKSELLERS, STATIONERS, NEWSDEALERS AND MUSIC DEALERS,

IN THE UNITED STATES AND CANADA.

One Volume Octavo. Interleaved.

PRICE \$10.

This Directory has been examined and corrected by three of the most experienced travelers for New York houses, who have just returned from extended tours, and contains the result of their familiarity with the Trade, as, also, all the latest changes of firms, &c., in the same.

It is believed to BE SUPERIOR TO ANY OTHER LIST NOW IN THE MARKET, whether written or printed.

PUBLISHERS having new announcements to make to the Trade will find it to their interest to direct them from this list, as it will more than save them its cost in postage that would be thrown away on an imperfect list.

For Newspaper or Magazine Publishers this list must be invaluable, as it furnishes the names of a large class of Liberal Advertisers in all parts of the country.

When cash is sent with the order, the postage will be prepaid to any part of the United States; but when the amount has to be collected, the Directory will be sent at the expense of parties ordering it. Early orders solicited.

ADVERTISERS WILL FIND IT GREATLY TO THEIR ADVANTAGE TO CALL OR SEND TO MY AGENCY BEFORE CONTRACTING FOR ADVERTISING WITH OTHERS. SAVE MONEY AND SECURE PATRONAGE BY ADVERTISING THROUGH MY AGENCY.

CAUTION.—Beware of all "Cheap John" Advertising Agencies that offer you LISTS of newspapers or traffic in TYPE, PRINTERS' INK, and HUMBUGS IN GENERAL. The time has gone by for the public to be humbugged into the idea that gold dollars can be obtained for ten cents, or that advertisements in the Leading Newspapers can be obtained for ten cents on the dollar.

MANUFACTURERS OF ALL KINDS OF

BLACK AND COLORED PRINTING INKS, VARNISHES, &c.

VANDERBURG, WELLS & CO., AGENTS,

110 FULTON, ST., NEW YORK.

OPINIONS OF THE PRESS.

We would call attention to the advertisement of the Gray's Ferry Printing Ink Works. We are using ink from the above factory and find it entirely satisfactory in quality and price, and take pleasure in adding our testimony in its favor.—*Evening Star, Philadelphia.*

PRINTING INK.—We would direct attention to the advertisement of the Gray's Ferry Printing Ink Works, in another column. Specimens of their Ink have been used in this establishment and have given entire satisfaction.—*Daily Telegraph, Harrisburg, Pa.*

GOOD PRINTING INK.—A very important requisite to the production of a well printed newspaper is a suitable ink. In printing the *Bucks County Intelligencer* on a fast press we have had to contend with a great many difficulties in obtaining ink that would give satisfaction. At present we are using an ink, made especially for the *Intelligencer*, by C. E. ROBINSON, Philadelphia, which comes nearer the mark than any other we have met with.

PRINTER'S INK.—A GOOD ARTICLE.—The Ink with which this issue of *The Republican* is printed, is from the Gray's Ferry Printing Ink Works of C. E. ROBINSON. It is clean, flows freely, and is of a good color. Our brother printers can judge of its quality by comparing it with Ink from other manufactories.—*Delaware County Republican.*

TO PRINTERS.—We have been using for several weeks a very fine quality of Ink, from the manufactory of CHARLES E. ROBINSON, which our pressmen say is the best for cylinder press news work that they have used for a long time. It is a clear black, and free from all kinds of sediment. Mr. ROBINSON is a practical ink manufacturer, liberal and courteous in all business transactions.—*Delaware Gazette.*

FINE PRINTING INK.—We have for some time been using the news Ink manufactured at the Gray's Ferry Printing Ink Works, Philadelphia, by C. E. ROBINSON, and, as stated some weeks ago, have found it better adapted to our presses than any ink we have had in our office for ten years. It is not only a very excellent article of Ink, but it is furnished at very reasonable prices. The works also manufacture Black and Colored Printing and Lithographical Inks, Varnishes, &c.—*Hagerstown Herald.*

We never recommend an article in these columns unless it really merits it, and to learn whether our own opinion of the Ink the *Tax Payer* is now using coincided with our pressman's, we inquired his estimate. He replied, "Good, very good;" and as we never knew him to deviate from the truth, we inform our fellow-printers that this was said of ROBINSON'S Philadelphia Printing Ink.—*Tax Payer, New York.*

We have recently been using for our newspaper the Ink manufactured by C. E. ROBINSON, and as it gives the best satisfaction, we cordially recommend it to our brethren of the press generally.—*The American, Media, Pa.*

This week's edition of the *News* is printed with Ink from Gray's Ferry Works, Philadelphia. The ink is all that could be desired, and we cheerfully recommend it to the craft.—*Shippensburg News, Pa.*

The Ink with which this issue of the *Times* is printed is from Gray's Ferry Printing Ink Works of C. E. ROBINSON. It is clear, works clean, and is of a good color.—*E. Wells, Port Tobacco Times, Maryland.*

GOOD INK.—One of the greatest sources of annoyance in a printing office is bad ink. We have tried various makes, paying sometimes very high prices, and failing. We are now using the ink manufactured at Gray's Ferry Printing Ink Works, by C. E. ROBINSON, and it gives us satisfaction. We shall continue to use it, and commend it to others of the craft with confidence.—*Jeffersonian, West Chester, Pa.*

PRINTING INK.—We have tried most of the first-class Printing Inks manufactured in this country, and know whereof we speak in recommending that manufactured at Gray's Ferry Printing Ink Works, Philadelphia, as superior to any in use. It is easily worked in all sorts of weather, is clear, clean and pretty, and in many ways far ahead of inks sold at much higher prices. We are seconded in this recommendation by our pressman, in the correctness of whose judgement in matters pertaining to the press-room we have unlimited confidence.—*Daily Gazette, Pittsburgh.*

FINE PRINTING INK.—We take pleasure in calling the attention of printers to the advertisement of Mr. C. E. ROBINSON, Ink Manufacturer, Philadelphia. The *Morning News* is printed with ink from his manufactory. It is clean, well ground and of good color, and is sold at a very reasonable price. In fact, it is *the best ink* for the price that we have ever used, and we cordially add our endorsement to those in the advertisement.—*Morning News, Savannah, Ga.*

EVANS' ADVERTISING AGENCY,

106 Washington Street, Boston.

We do not mean to buy a ton or two of trumpets in order to blow our praises through this directory; we prefer to imitate the weak-tongued Indian squaw, who followed a noisy rival, and squeaked "Me, too," when the Amazon in stentorian tones shouted out her list of wares. We claim, and are ready to show reasons for our claim,—

FIRST—That we have no superiors in our facilities for advertising cheaply, promptly, conspicuously and advantageously in any or in every newspaper in any or in every part of the country.

SECOND—That we have no equals in the New England States.

THIRD—That our select lists are unsurpassed by those of any other advertising firm.

FOURTH—That no extensive advertisers can afford to do their own business with newspapers, as we engage to do it not only as well, and cheaper, but save them all the risks of transmission of money and the trouble of correspondence.

FIFTH—That we can show by the public praise of the most eminent journals, and the private letters of our advertising customers, that we have given entire satisfaction to every one who has had dealings with us;

— AND —

SIXTH—That we are ready to engage to do our work as well in every regard, and as cheap as any other agency in the world.

*From a folio full of flattering notices we select a handful of sentences. "Mr. T. C. Evans," says the *Watchman and Reflector*, "has earned a reputation that is itself wealth; for it inspires confidence in all with whom he has dealings, who are many." "We fully endorse this statement," says the *Christian Secretary*. "We concur in every word of the above," says the *Auburn Advocate*; "we have found Mr. Evans one of the most prompt, reliable and honorable men with whom we have had business relations." "We most heartily endorse the above commendatory notice," says the *Chicago Freeman*. "It renders," says the *St. Louis Central Baptist*, "a deserved compliment to a prompt, honorable and energetic business man."

A dozen other first-class religious papers copied and endorsed the eulogy of the *Watchman and Reflector*.

"In our transactions with Mr. Evans," says the *Congregationalist and Recorder*, "covering a period of years, we have found him uniformly reliable and trustworthy. "Mr. Evans," says the *Boston Journal*, "understands the business thoroughly, and is well qualified to give advice in regard to it." "Mr. Evans," says the *Boston Post*, "is a live man, and does business in a live way." "Mr. Evans," says the *New York Home Journal*, "has transacted business with us for many years, and we have always found him reliable in his statements and prompt in his payments." "He is prompt, efficient and honorable in all his business transactions," says the *Hingham Journal*, "and with publishers he fulfills his contracts to the letter." His long experience, superior facilities, commendable promptness and fair dealing," says the *Bristol (R. I.) Phoenix*, "have secured him a large, and, we trust, a lucrative business." "A short advertisement in Evans' 'Standard List' of papers, says the *Brattleboro' Household*, "brought such a host of new subscribers that we were unable to supply them as promptly as was desirable."

Before making arrangements with other firms, send for our lists and terms.

Publishers will please bear in mind that this is the **ONLY** establishment which **Sets up All the Matter Expressly and Exclusively** for the country papers. An experience of twelve years in connection with the country press, in the various positions of publisher, editor, and "Inside" furnisher, enables the undersigned to understand and to meet the wants of his patrons. As the reading matter is largely increased by either form of this style, a decided gain in circulation is the almost invariable result; while such is the economy of the plan, that most of the papers which have adopted the Insides or Outsides are clearing from \$600 to \$1,000 more per annum than before.

By these Insides or Outsides, which are yearly growing more popular, a saving is effected of about three-fourths of the composition, one-half the press work, ink and wear of type, and a very large share of the editorial labor, thus enabling the home publisher to devote more time to local matters, politics and finances. Publishers are also saved the inconvenience and expense of buying paper and paying for it in larger quantities than required for their editions.

**THE BOSTON JOURNAL
FOR 1869.**

THE POPULAR NEW ENGLAND
Family Newspaper.

DAILY, SEMI-WEEKLY AND WEEKLY.

THE JOURNAL is too widely known to require any detailed enumeration of its general features. While it will maintain its identity as a paper allied to the interests of the progressive party of the country, it will sustain its reputation as a newspaper where men of all parties can find the fullest and latest intelligence. It will seek to carry to the households of New England whatever relates to politics, commerce, education and the industrial pursuits of a prosperous people. "PERLEY" at Washington, with competent assistants, and with the free use of the telegraph, will keep its readers promptly informed of every important event transpiring at the National Capital. "CARLETON'S" excellent and valuable letters will be continued, and its regular correspondents in New England, New York, and at other centers in our own land and the Old World, will aid in making its columns more than ever attractive to its readers.

THE BOSTON JOURNAL.

PUBLISHED MORNING AND EVENING.

The editions are essentially two newspapers, independent in many respects of each other. They are not simply two editions of one paper, but are perfect in all their features, and complete in their editorial and reportorial labor, possessing the great advantage to the reader of securing fuller and more detailed reports than is furnished by any newspaper in New England. *The Boston Daily Journal* is published Morning and Afternoon, daily (Sundays excepted.) City subscribers furnished by route carriers. Single copies, 4 cts. One copy by mail one year, \$10.

SEMI-WEEKLY JOURNAL.

The general features of the Daily are found in this issue, and is valued for its ship news, commercial intelligence, and news at points where business men find that a semi-weekly paper meets their requirements. It is published Tuesday and Friday mornings.

TERMS.

One copy by mail, \$4 00
Five copies to one address, 15 00
Ten copies to one address, 30 00
And one copy to the getter-up of a club of ten.

WEEKLY JOURNAL.

The Weekly is *NOT* a hastily prepared off-shoot of the Daily Journal, but the matter is selected with care, and the news of the week is carefully culled especially for its columns.

THE TERMS ARE:

One copy, by mail, \$2 00; Five copies, to one address, \$7 50; Ten copies, to one address, \$15 00.
And one copy to the getter-up of a club of ten.

Notice to Advertisers.

THE JOURNAL presents an unequalled medium for those who wish to reach the largest and best class of readers. ALL ADVERTISEMENTS APPEAR IN THE MORNING AND EVENING EDITIONS AT ONE CHARGE—and thus have practically the benefit of the circulation of two papers.

LITTELL'S LIVING AGE

On January 1st, 1869,

ENTERED UPON ITS
ONE HUNDREDTH VOLUME.

It is a weekly magazine, published every Saturday, giving 64 pages a week, or more than three thousand double-column octavo pages of reading matter yearly.

It contains the best Reviews, Criticisms, Tales, Fugitive Poetry, Scientific, Biographical, Historical and Political Information, gathered from the entire body of English Periodical Literature, and forming four handsome volumes, every year, of immediate interest and solid, permanent value.

The LIVING AGE circulates among people of property and intelligence, people of cultivated literary taste, and of sufficient means to gratify that taste, and people of enterprise, standing and influence in their respective communities throughout the country, and is carefully preserved after being read. For this reason, and because of the *very limited space* allowed in each number to advertisers, THE LIVING AGE is *unequaled*, for the cost, as a medium for advertising New Publications, whether of a literary, professional, scientific, educational or religious character; Reviews, Magazines and Papers intended for wide circulation; Colleges, Seminaries and Schools; Works of Art; Pianos, Melodeons and Church and Parlor Organs; Sewing Machines, and valuable Inventions, Manufactures, Merchandise and articles of various sorts—whatever, in short, is of interest to the class of readers above mentioned.

Subscription price \$8 a year, for which the magazine is sent, *postpaid*.

"We regard THE CHRISTIAN ERA as ranking among the highest and most excellent religious papers in the land. It is no disparagement to other religious organs to say, that as a family paper, it is as good as the best of them. It is elevated in its tone, pure in its teachings, uncompromising in its attitude towards error, bold in its utterances for the truth, practical in its tendency,—and, above all, a genuine Christian spirit seems to give unction to it throughout.

THE NEW YORK SUN.

CHARLES A. DANA, Editor.

A first class journal, independent but not neutral in politics, publishes three editions—Daily, Semi-Weekly, and Weekly, at \$6, \$2, and \$1 per year.

THE DAILY SUN, \$6 a year,

Far exceeds every other daily paper in its circulation in New York, Brooklyn, Jersey City and Hoboken. Its circulation in other parts of the country is also rapidly increasing, especially in the Southern and Western States. It thus offers a most valuable medium for every kind of advertising which is designed to be read by the great masses of the people. Our rates are also lower, circulation being considered, than those of any other journal.

THE WEEKLY SUN, \$1 a year,

Is prepared with special reference to the wants of country readers.

News of the week, from all parts of the globe, is condensed for it by experienced and skillful editors. A selection from the most interesting editorial articles of THE DAILY SUN forms one of its constant features, while the most instructive and entertaining miscellany also occupy a large portion of its columns. Its CATTLE, PRODUCE AND GENERAL MARKET REPORTS, will be found all that can be desired. As a general FAMILY NEWSPAPER, it aims to be particularly acceptable. It also furnishes accurate and fresh reports of all matters of importance to

THE FARMER AND GARDENER.

This department is under the supervision of MR. ANDREW S. FULLER, the well known horticulturist, who will not only write on the subjects in question, but will also attend the meetings of the FARMERS AND FRUIT GROWERS' CLUBS, and will daguerreotype their proceedings for the benefit of our subscribers. To advertisers who wish to reach a wide circle of country readers this edition of THE SUN is confidently recommended. As a medium for country advertising THE WEEKLY SUN is strongly commended.

THE SEMI-WEEKLY SUN, \$2 a year,

Is of the same size and general character as THE WEEKLY, but has space for a greater variety of miscellaneous reading, and furnishes the news to subscribers with greater freshness, because it comes twice a week instead of once only. Its subscription is only the ordinary price of a New York Weekly.

The Acknowledged Leader of the Democratic Weeklies!**THE NEW YORK DAY-BOOK**

Having the largest *bona-fide* circulation of any Democratic Weekly in the country, is unequaled as an advertising medium.

The publishers of *The Day-Book* refer with pleasure to the parties advertising in its columns, in proof of the truth of the assertion that the per centage of yield on the cost of advertising is greater than in any other paper published in New York City. Publishing no Daily paper now, we are enabled to give our whole time and attention to pushing the circulation of our Weekly. *Advertisers may depend upon the statements herein made, as correct.*

THE CHRISTIAN ADVOCATE.

ORGAN OF THE METHODIST EPISCOPAL CHURCH,

And published Weekly, in Imperial Quarto form, at the Methodist Book Concern,

New York.

REV. DANIEL CURRY, D. D., EDITOR.

REV. W. H. DE PUY., A. M., ASSISTANT EDITOR.

THE CHRISTIAN ADVOCATE is the **oldest, most widely circulated and most largely patronized Methodist Weekly Journal in the world.** In addition to its immense circulation among the laity (many of whom have been its readers from its first issue), it numbers among its patrons and agents most of the Itinerant Ministers and a large share of the Local Preachers of the Methodist Episcopal Church. *Its circulation, constantly increasing, extends into every Christian country.*

While it makes no *partial or invidious array of lists of contributors*, no religious journal in the country exceeds it in

The Ability of its Editorials,

The Ability and Number of its Correspondents,

The Variety and Freshness of its News, or

The Number or Utility of its Various Departments.

It is sought for by the *children* as well as by adults, and abounds in information fresh, attractive and useful to persons in every vocation in life.

It purchases no uncertain or mercenary patronage by the offer of "Sewing Machines," "Gold Watches," or other tempting premiums of that class, nor does it seek to secure or enlarge its subscription list by professing to be the *special advocate* of any class of notions of Church polity; but it relies for continued and increasing patronage upon its *own real and recognized merit*, and upon the faithful agency of its many and tried friends, and is published in the interest of the *whole church* of which it is a representative and official organ. It is not in any sense a *private enterprise*, nor will its receipts inure to the emolument of any *person or corporation*. Every dollar of receipts, after meeting the expenses incident to its publication, is applied to the benevolent objects of the Church.

The publishers spare no expense necessary to make it in all respects a *first-class Religious Journal*. PACKARD'S MONTHLY.

Volume 2, 1899.

Changed in Form, Enlarged and Greatly Improved—The Most Beautiful, Lively
Wide-awake, Talented Magazine in the Country.

SUBSCRIPTION PRICE—\$1 A YEAR. SINGLE COPIES 15 CENTS.

This is, by universal consent, the popular Magazine of the day. It differs from most other periodicals in being thoroughly readable from beginning to end. It knows nothing about "the dignity of dullness." It is sharp, incisive, wide-awake, and, in the very best sense, **sensational**. It grapples with the evils of the day, and presents them as they are, without mitigation or remorse. It is well understood that for things which go right to the hearts of the people—things new and interesting, things useful, things beautiful, and things good in every respect, PACKARD'S MONTHLY is the place to look. It is the young men's Magazine, and, consequently, the old men's Magazine and the young women's Magazine. It is the favorite Family Magazine, and full of interesting matter for everybody.

It has the best contributors, the best range of subjects, the best sphere of labor, and the best remuneration for its efforts in the good it is destined to accomplish.

It is the cheapest periodical in the country, notwithstanding that it is the best. It grows upon its readers like the love of a beautiful woman; and young men can as well do without one as the other. It has attained to a circulation never before approached by a new literary enterprise, and the reason is, that it has been mindful of the people's needs, and has not been afraid to take hold of live questions, and to treat them in a live manner.

The reputation which it has achieved has been honestly earned, in giving to the public something that was wanted. The publisher has believed that an honest, outspoken, high-toned Magazine could be readily and extensively introduced, without resorting to fictitious literature. He believes that truth is not only *stranger* than fiction, but more earnestly desired, more beneficent, and, if properly presented, more palatable, and this belief has been more than confirmed in the unexpected and wholly gratifying success which his efforts have met.

Each number of the Magazine contains thirty-two pages, royal octavo, printed in fine but very clear type, on good paper, and suitably illustrated.

It is wholly original, and commands some of the very best writing talent in the country. Among its regular contributors are—

HORACE GREELEY,

ELIHU BURRITT,

Office 424 Broome Street.

The METROPOLITAN RECORD is published once a week, and contains fifty-six columns of political news, editorial matter, and varied and interesting reading. It aims to be a truthful and unswerving exponent of State Rights, and is inflexibly opposed to the anti-Democratic policy of consolidation. It shall never cease to advocate the supremacy of the Civil Authority, and to denounce and condemn the pretensions and usurpations of the Military Power.

The METROPOLITAN RECORD shall continue, as it has begun, the outspoken and fearless opponent of the unconstitutional policy of the dominant party, the defender of the great Charter of American freedom, and the unflinching advocate of Liberty of Speech, Vote by Ballot, Habeas Corpus, Trial by Jury, Freedom of the Press and State Rights.

THE NEWSPAPER ROOM.

(Geo. P. Rowell & Co's Advertising Agency, No. 40 Park Row, N. Y.)

THE NEW YORK TIMES.

A POLITICAL, LITERARY AND MISCELLANEOUS NEWSPAPER

The NEW YORK TIMES—started in September, 1851—has for many years been recognized as among the most successful, popular and influential newspaper in the country. It is still under the control and management of its original founders, who, with greatly increased resources and experience, will spare no pains to extend and strengthen its claims upon the confidence and support of the public.

In its political discussions and preferences the TIMES is Republican—and supports the cardinal principles and leading measures of that party as on the whole best calculated to secure the peace and promote the prosperity of all sections of our common country. It was among the first to advocate the nomination and election of Gen. GRANT to the Presidency, and will sustain, with all the ability it can command, the principles and policy of his Administration.

The TIMES will insist upon Reform in all branches of the public service—economy in the administration of the Government—the payment of the public debt and the maintenance of the public credit—the adoption of equal and impartial suffrage—the removal of useless political disabilities—the preservation of peace—the elevation of labor—the vindication of our national rights—and, in general, such measures as will strengthen our Republican institutions in the confidence of our own people, and commend them to the respect and admiration of the rest of the world.

As a NEWSPAPER the TIMES will continue to be, as it has been, unsurpassed.

Its **Correspondence**, by Telegraph and by Mail, from all parts of the world, will be full, prompt, reliable and interesting. In this respect it will maintain the high reputation it has thus far enjoyed.

Its **Reports** of proceedings in Congress and in the State Legislature—of the Law Courts, social, political and literary associations, public meetings, and of whatever else may enlist or attract the public interest, will be prepared with care and with special attention to the convenience and instruction of the great body of the Reading Public. In its Commercial, Financial, Real Estate and general Market Reports, special pains will be taken to embody the latest news in the most reliable and acceptable form.

A **Literary** Department will be maintained, in which will be given Reviews and notices of all the important and interesting issues of the Press; and the Fine Arts, including Music, the Drama, painting and sculpture, will receive careful attention at the hands of competent and experienced critics.

The **Editorial** Department of the TIMES will be devoted to the intelligent, temperate and useful discussion of the current events of the day, in every department of public activity and interest, with the general aim of instructing and guiding the public mind rather than exciting public passion or ministering to a morbid curiosity. Special care will be taken to exclude everything which can deprave the morals, or lower the taste of the great body of intelligent readers.

The Sunday Edition of the TIMES contains in addition to all the news of the day, from eight to ten columns of interesting literary matter, selected with great care from the latest periodical literature of this country and Europe, including the best stories, poems, &c., besides original articles by accomplished writers on subjects of general interest. It is, therefore, not only a NEWSPAPER, in the proper sense of the word, but a journal of **Art, Literature** and **Fashion**; and no pains are spared to make it the most complete and interesting Sunday newspaper in the country. The matter it contains is always fresh and new, and is arranged in a tasteful and attractive manner.

The TIMES issues three editions, all of the very largest size, on large quarto sheets, each containing *fifty-six* columns, printed in clear and legible type, at the following rates:

MAIL SUBSCRIBERS.

The DAILY TIMES, per annum,	\$12 00	The SEMI-WEEKLY TIMES, two copies, 1 yr.,	\$5 00

The SEMI-WEEKLY TIMES, one year,	3 00	Five copies,	5 00

These prices are invariable. We have no traveling agents. Remit in drafts on New York or Post Office Money Orders if possible, and where neither of these can be procured send the money in a *registered* letter. All postmasters are obliged to register letters when requested to do so, and the system is an absolute protection against losses by mail. Address

THE TURF, FIELD AND FARM.**HIGH TONED, BRILLIANT, ABLE.**

It is the organ of all respectable JOCKEY CLUBS, and therefore the leading Turf Journal of America. It discusses AGRICULTURE, both scientifically and practically, and especial attention is given to the SPORTS OF THE FIELD. Those who believe in the Gun, the Rod and the Bat consult its columns with pleasure and profit. The paper denounces pugilism, and all low, disgusting sports. Billiards receive due attention.

As a Literary paper we claim a high place for the TURF, FIELD AND FARM.

Its merit on this point has been generally conceded to be superior to any of its predecessors in sporting literature.

Its correspondents are men of superior intellectual culture and attainments, and their ability is recognized as being of the highest order.

Dramatic news, and criticisms on the drama and those connected with it, will be of the fullest description, and due care will be taken that they are truthful and just.

Those who enjoy the more quiet allurements of Chess and Draughts will find the columns devoted to these subjects presided over by masters in that branch.

Breeding is ably discussed by practical and theoretical minds.

THE TURF, FIELD AND FARM

Is a MARVEL OF SUCCESS.

The wealthy and cultivated gentlemen of America are its readers and patrons.

Its articles on all subjects are widely quoted in the daily papers of Europe and America.

The paper is a weekly, the largest in the United States, and is published every Friday morning, at \$5 a year, in advance; Clubs \$4 a year, in advance, by

**THE
NEW YORK MERCANTILE JOURNAL

MERCHANTS', MANUFACTURERS' AND
BANKERS' LEDGER.**

The JOURNAL is published Weekly (Thursday morning), giving *the most extensive and accurate Price Lists ever published in the United States, occupying Seventeen (17) Columns, together with Sixteen Columns and upwards of reading matter every week.*

It is strictly neutral in Politics, but independent in its criticisms upon all matters affecting the Commercial and Financial interests of the Nation. Prices are corrected Weekly up to the hour of publication, making THE JOURNAL almost indispensable to all dealers in Stocks, Government Bonds, Dry Goods, Drugs, Paints, Oils, Groceries, Country Produce, Hardware, Iron, Steel, Tin, Metals, Furs, Skins, Wools, Hides, Leather, etc. It is devoted to the interests of *bona fide* Merchants, Manufacturers, and Bankers, and at all times refuses the use of its columns to the advertising of humbugs of every kind.

There is not a Mercantile or other paper published in the United States so well calculated to advance the interests of all those who desire to do business with Merchants and Manufacturers throughout the Union. No other paper reaches so many business men.

THE DEMOCRATIC PAPER OF THE UNITED STATES.

DAILY.

The *World* is the best newspaper published.* We have not always agreed with it, we are not at all certain that we shall at all times in the future; but we say that for enterprise, fullness of news, and editorial ability, it now stands at the head of the American press.—*Herald, Providence.*

The *World* is edited with great ability, and as a great metropolitan newspaper has no equal.—*Argus, Beaver Dam, Wis.*

The New York *World* claims to pay more taxes on sales and subscriptions than any other journal in New York.—*Rochester Chronicle.*

THE NEW YORK WORLD.—The *World* is essentially a valuable journal—valuable to the Democratic party, whose cause it so ably supports, and especially valuable to the great reading public, by whom it is recognized as the leading journal of America. The *World* is a Democratic paper; but is far more than a mere partisan organ. It is essentially a newspaper, and a newspaper in the highest and best sense of the term. No better advertising medium than the *World* can be found in New York—indeed none half so good.—*New Orleans Crescent, Jan. 15.*

NEW YORK WORLD.—The ablest Democratic paper in the United States is the New York *World*. It has more reading matter and edited with more ability than any other paper in this country.—*Lincoln Statesman, Lincoln, Ill.*

THE WORLD.—Within the past year the *World* has become the leading paper of the city, and its recent exposure of frauds of city dealers has added thousands to its daily sales, as well as to its regular subscribers.—*Gazette, Delhi, N. Y.*

THE DAILY WORLD.—Published every morning. By mail, one year, \$10; one quarter, \$2 50; less than one quarter, \$1 per month; with Sunday edition, TWELVE DOLLARS a year.

SEMI-WEEKLY.

The *Semi-Weekly World* is a large quarto sheet same size as Daily, which, by omitting a great mass of city advertisements from the Daily, contains correspondence, editorials, ALL its news, commercial and market news, cattle market and provisions reports, and a fresh and entertaining miscellany of literature. Published Tuesday and Friday.

One Copy, one year, \$4; Four Copies, one year, \$10; Ten Copies, one year to one address, \$20, and an extra copy to the getter up of the Club; Ten Copies, one year, separately addressed, \$22, and an extra copy to the getter up of the Club.

WEEKLY.

Its editorials cover a wide range, its news columns are filled to repletion, its telegrams are from every quarter of the earth, and its correspondence, special and regular, outrivals any contemporary. An eight page paper, the daily is frequently enlarged to twelve and sixteen pages, and each number is a quarto volume in itself. The weekly gives a large amount of reading matter, including the proceedings of the Farmers' Club, full Market Reports, entertaining reading for the family, religious, literary, scientific, etc., and a full news digest. No other paper gives so full reports of public meetings, so much general matter or able editorials.—*Democrat, Cassopolis, Jan. 14.*

The *Weekly World*, a large quarto sheet, same size as Daily, is now printed throughout in large type, and has the largest circulation of any weekly journal published, save one. A regular report of the proceedings at the FARMERS' CLUB of the American Institute, is published each week.

Its Market Reports embrace the New York, Albany, Brighton and Cambridge Live Stock Markets; the New York Country Produce and General Produce Markets; special and valuable Hop Intelligence; a department of Agricultural Reading; all together composing an unrivalled handbook of current information for the Farmer, Live Stock or Produce Dealer, Country Merchant, etc.

A page or more reserved for Entertaining Fireside Reading for the Family Circle, embracing the freshest and best Stories, Poetry, Religious Reading, etc., and a page for the Discussion of all Prominent Topics of general interest, political, agricultural, financial, literary, etc., etc. Its Digest of the News is not, like most city weeklies, a mere waste-basket of the Daily; only matters of interest and importance are chosen from the Daily, while the mass of its contents are prepared especially for the Weekly.

One Copy, one year, \$2; Four Copies, one year, \$7; Ten Copies, one year, separately addressed, \$15, and an extra copy to getter up of club; Twenty Copies, one year, to one address, \$25, and an extra copy to getter up of club; Twenty Copies, one year, separately addressed, \$27, and an extra copy to getter up of club; Fifty Copies, one year, to one address, \$50, and the Semi-Weekly for one year to getter up of club; Fifty Copies, one year, separately addressed, \$55, and the Semi-Weekly for one year to getter up of club; One Hundred Copies, one year, to one address, \$100, and the Daily for one year to getter up of club; One Hundred Copies, one year, separately addressed, \$110, and the Daily for one year to getter up of club.

Changes from club lists can only be made by request of the person receiving the club packages. All such requests must name the edition, post office and State to which the paper had previously been sent, and the time when subscribed for, and enclose 25 cents to pay for changing to separate address.

THE WORLD ALMANACS FOR 1868 AND 1869.

By mail, prepaid, single copies of each year, 20 cents; seven copies, \$1.

THE WORLD ALMANAC FOR 1868.—Of all the compilations of the kind that have appeared in this country, it is incomparably the best. It is fuller and more various and more accurate than the best of the rest.—*Journal, Louisville, Ky.*

THE WORLD ALMANAC FOR 1869.—The 127 pages of this Almanac contain a greater variety of information, and better selected, than any similar publication.—*Times, Hartford, Conn.*

OPINIONS OF THE PRESS.

[From the *Home Journal*, July 22, 1868.]

Y DRYCH (*The Mirror*)—a paper printed in the Welsh language, and published in Utica, in this State, celebrates its eighteenth year by coming out in an enlarged form, and otherwise greatly improved. *Y Drych* is a very able paper, and has an excellent and successful appearance.

[From the *Independent*, July 22, 1868.]

We are told that Y DRYCH (*The Mirror*), published in Utica, and for eighteen years the organ of the Welsh people in the United States, has been enlarged and typographically improved. It is a National paper, and has contributed not a little to the healthy radicalism of the Welsh on the subjects of Slavery and Temperance. We wish every success to so good a paper, and are sorry that our defective education forbids us to judge of its character except from the character of its readers, who form one of the very best elements in our immigrant population.

[From the *New York Tribune*, July 25, 1868.]

The DRYCH, or *Mirror*, a paper published in the Welsh language, appears this week in an entire new dress, and looks quite fresh and vigorous. For eighteen years the DRYCH has been the organ of the Welsh speaking portion of the population of the United States, and has obtained, as it merited, a liberal support.

[From the *New York Tribune*, Aug. 31, 1868.]

The DRYCH (*Mirror*), published at Utica, N. Y., is one of the best conducted Weeklies in the United States. In no respect is it inferior to our well-conducted Republican newspapers. Its editors are gentlemen of education, refinement and taste, and at home in both languages. The DRYCH is in its eighteenth year, and never looked so well, and never *did* so well. It is read by the Welsh people throughout the Union, and has been greatly instrumental in shaping their political convictions.

[From the *New York Times*, Sept. 4, 1868.]

We are prepared to indorse what we have heard, that Y DRYCH is an able, lively, vigorous and loyal journal, dealing with Welsh affairs, American politics, and the World's news, in a manner at once intelligent and effective. It is certainly a large and fine-looking quarto, filled with news, discussions, and deserving the support of all good Welshmen, and the encouragement of Republicans.

[From the *New York Sun*, Sept. 7, 1868.]

THE MIRROR (*Y Drych*), published at Utica, N. Y., is the recognized organ of the Welsh people of the United States. It is a handsome quarto, very popular with our fellow citizens of Ancient British descent, and is now in its eighteenth year. It circulates in every State and Territory of the Union, wherever a son of Wales resides; hence it is a valuable medium for advertising.

THE IRON AGE.

THE ONLY IRON AND HARDWARE PAPER IN THE COUNTRY.

THIS IS A HANDSOME EIGHT PAGE PAPER, SAME SIZE AS THE NEW YORK TRIBUNE, PUBLISHED

WEEKLY BY

DAVID WILLIAMS,

80 Beekman St., New York,

AT \$4 A YEAR.

It gives every week full and accurate reports of the different Hardware and Iron markets of the country, more especially of New York, and aims to be in all things impartial and fair-minded, as it becomes a commercial newspaper to be. There is no other paper that devotes any considerable attention to the condition of the Hardware market, and it is therefore necessary to any merchant whose purchases are large enough to make it an object to keep informed of the state of the market and the price of goods. Its New York Price List contains quotations of all the staple articles, and is corrected carefully every week by a person thoroughly competent, thus securing its accuracy. Its Iron and Metal reports and Quotations are more full and comprehensive than those of any other publication *in the world*, giving reports from all the important markets in this country and Europe, and giving all the information needed in this department. To large dealers in metals, of which the prices are constantly fluctuating, some newspaper giving quotations and reports is indispensable, and there can be no question that THE IRON AGE is by far the most comprehensive and trustworthy, for this purpose, in the country.

While giving its first attention to trade matters, its very large size allows the printing of a great deal of matter of interest to the trade and to business men in general—a feature not usually found in a commercial newspaper. The space given to editorial articles is not large, but current topics of interest will be discussed with candor and impartiality.

TO ADVERTISERS.

The fact that it gives its whole attention to matters of interest to the Iron and Hardware Trade of the country (which no other paper pretends to do) has led to a large circulation among the trade in every State and most of the Territories of the Union, making it the best medium by which to reach them. That this is appreciated by many of the best houses in the country will be seen by a glance at its advertising columns.

MOORE'S RURAL NEW YORKER,
THE GREAT NATIONAL WEEKLY
RURAL, LITERARY, FAMILY AND BUSINESS NEWSPAPER.

The RURAL NEW-YORKER is noted for its ability, independence, progressive spirit, moral tone and refined taste, and has for years received the highest praise from an intelligent people and a discriminating press. No journal of its class equals the RURAL in quality, quantity, variety and value of contents. It embraces more and better Agricultural, Horticultural, Literary, News and Commercial Matter, with numerous illustrations, than ANY OTHER JOURNAL, and is by far the largest, best, cheapest and most complete RURAL, LITERARY, FAMILY and GENERAL NEWSPAPER, combined, obtainable. We promise to make the RURAL for 1869 the

BEST WEEKLY IN ITS SPHERE,

And for evidence that it is such see the paper, compare it with any other, and decide. The Staff includes a number of the most distinguished writers in the country on the branches which are their specialties, yet the RURAL relies more upon the CHARACTER OF ITS MATTER than the names of celebrities.

CIRCULATION AND FACILITIES.

The RURAL has a Continental Circulation and Metropolitan Position. Its Subscription Receipts during the past month exceeded those of any preceding *three* months since its establishment in 1855. With Offices in New York City and Rochester—the great Business and Commercial Metropolis, and the Heart of a famed Rural District—we possess unequalled facilities for making the RURAL the Best Journal of its Class in the World, and to demonstrate the truthfulness of the remark of an exchange that "The RURAL is the most elegantly printed, ably edited, widely circulated and heartily welcomed paper, as a whole, which now finds its way among the people."

FORM, STYLE, TERMS, ETC.

The RURAL is published on a *Mammoth Sheet*, comprising SIXTEEN LARGE DOUBLE QUARTO PAGES of Five Columns Each!—making it the *largest Illustrated Paper in America!* It is printed in superior style, and arranged with taste in Departments devoted to or treating upon subjects of much interest and importance to country, suburban and urban residents.

The RURAL is not a *monthly* of only 12 issues a year, but a Large and Splendid WEEKLY of 52 Numbers!

ADDRESS

D. D. T. MOORE, 41 Park Row, New York.

NOTICES OF THE RURAL NEW-YORKER.

MOORE'S RURAL NEW-YORKER, since its size was doubled at the opening of this year, is the largest and handsomest Agricultural Weekly in America. It was always one of the best. We hear, without surprise, that its subscriptions are double those of any former year.—*N. Y. Tribune.*

MOORE'S RURAL NEW-YORKER is full of variety, original and select. We confess a surprise at the variety and richness of its contents, bountifully illustrated as it is. No paper on our exchange list comes so near our ideas of perfection for a secular family paper. It maintains a high moral standard.—*N. Y. Observer.*

No doubt the RURAL NEW-YORKER stands at the head of papers of its class in America. There have been many imitators, and some conducted with ability, but none compare with the RURAL.—*Ohio Bulletin.*

MOORE'S RURAL NEW-YORKER comes to us freighted with information valuable to all who take an interest in the improvements of the times. We commend it to advertisers who desire to reach the farming communities.—*N. Y. World.*

MOORE'S RURAL NEW-YORKER has a very large circulation, especially in the Northern, Western and Middle States, and offers a very excellent medium for advertising to business men of this city who desire to reach those sections. It is an able and well managed paper, and deserves the success it has achieved.—*New York Daily Times.*

The RURAL is not only a favorite in the rural districts, but deservedly popular in the cities. No newspaper in any country ever run a more prosperous career.—*Louisville (Ky.) Journal.*

MOORE'S RURAL NEW-YORKER is the *best Farm and Fireside Journal in America*, and has justly earned all its devoted editor claims for it.—*Chicago Daily Democrat.*

Without exception, the best Agricultural and Family Newspaper. Mr MOORE lately received a \$1,000 draft for one club of new subscribers.—*Minnesota Statesman.*

THE CINCINNATI WEEKLY TIMES,
THE FAVORITE FAMILY NEWSPAPER OF THE WEST,
 HAS JUST ENTERED ITS TWENTY-SIXTH YEAR,
 IN AN ENLARGED AND IMPROVED FORM,
 Making it, without doubt, one of the Handsomest, Cheapest and Best Newspapers
 in the Union.

The extraordinary popularity of this journal is attributed to the fact that it contains a great
 variety of reading matter suitable for

THE FIRESIDE, THE COUNTING-ROOM AND THE WORK-SHOP.
 It Finds its Admirers among all Parties and its Patrons in all Sections.

CIRCULATION OF THE WEEKLY TIMES.

The larger portion of its subscribers is in the Western States, although there is not a State or Territory in the Union in which it does not circulate to some extent.
 In OHIO it has over *Seventeen Thousand Subscribers*, going to 1,616 different post offices.
 In INDIANA it has *Seven Thousand Subscribers*, going to 930 different post offices.
 In ILLINOIS it has *Ten Thousand Subscribers*, at 970 post offices; while in Iowa, Wisconsin, Michigan, Missouri, Kentucky and Tennessee, it has between *Fifteen and Sixteen Thousand Subscribers*.
 In NEW YORK and PENNSYLVANIA its circulation is nearly *Eight Thousand*, going to 1,089 different post offices.
 As a valuable Advertising Medium, the CINCINNATI WEEKLY TIMES is, without doubt, the most desirable Newspaper in the West. A fair trial will convince any one that we do not claim too much for it when we say that it is by far the

BEST ADVERTISING MEDIUM WEST OF NEW YORK CITY.

To one who wants to communicate with the thousands of intelligent Farmers and Horticulturists, besides the Merchants, Manufacturers, and professional men in the almost countless number of little towns and villages scattered throughout the Great West, we can with confidence, recommend our journal.
 From the experience of persons who have advertised for years in the WEEKLY TIMES, whose testimony to its merits as an advertising medium are most emphatic, we are satisfied it has no equal in the West. Our charges, in proportion to its immense circulation, are reasonable. Cheap advertising, in papers of limited circulation, is, after all, the dearest; and business men who, by years of experience, are posted as to the best means of publicity, and who have tried both plans, give the preference to papers of large circulation, even at rates that at first seem high in comparison.

CINCINNATI DAILY TIMES,

CITY SUBSCRIBERS SUPPLIED BY CARRIERS AT 20 CENTS PER WEEK; MAIL SUBSCRIBERS, \$8 PER YEAR.

Being *independent on all questions*, and subject to the dictation of no clique or party, its patronage is not confined to party limits, but it is taken, without regard to political opinions, in all quarters. A prominent feature of the DAILY TIMES is its *opposition to Caucus Dictation*, and the present *Conventional System*, by means of which the people have been so long controlled by wire-pullers and scheming politicians. It is particularly adapted to the *Family Circle*, from its well selected news, its instructive and interesting miscellany, its moral sketches, etc., etc.

From its compact form, and the manner in which it is made up, having reading matter on each page, thereby allowing advertisements in every part of the paper to be readily seen, in addition to its *large circulation*, not only in the City, but in the adjoining Towns, the TIMES must continue to be a most desirable *medium for Advertisers*.

THE PUBLIC LEDGER,

PHILADELPHIA.

GEO. W. CHILDS,

Proprietor.

The vast pile of brownstone buildings erected for the publication of this paper, are situated at the South-west corner of Sixth and Chestnut Streets, Philadelphia, immediately opposite Independence Square. The ground plan covers an area of about 15,200 square feet, which is more than one-third of an acre; and the buildings are thought to be the most beautiful, both inside and outside the city. The printing machines and folding machines used in the publication of the

LEDGER,

Print and fold 45,000 an hour and they are all worked to their fullest capacity.

The white paper consumed every day weighs nearly three tons, and the manufacture of this paper, at the mill owned by the establishment, requires the daily transportation of nearly fourteen tons of raw materials. The various departments of the

PUBLIC LEDGER

Establishment give constant employment to about three hundred hands.

The daily edition of the paper is believed to be the largest in the United States, and every issue of it is read by not less than three hundred and fifty thousand people.

In the same building is the

LEDGER JOB PRINTING OFFICE,

Where the brilliant and beautiful pictorial show work is done that is now so extensively known through the country, and seen upon the walls of every city and town East, West, North and South. This style of work is done of all kinds, from the beautiful and artistically-colored lithographic cards to the brilliant pictorial poster, in many colors, that is large enough to cover the gable of a house or barn.

THE PUBLIC LEDGER BUILDINGS,

The machinery, and the various departments of the establishment are subjects of great interest, and are visited by strangers from all parts of this country, and from Europe.

THE JEFFERSONIAN,

ESTABLISHED IN 1843.

HAS NOW A CIRCULATION UNPARALLELED AMONG LOCAL NEWSPAPERS.

PUBLISHED EVERY SATURDAY,

IN

West Chester, Chester County, Pennsylvania.

As an **Advertising Medium**, the JEFFERSONIAN, from its extensive and wide circulation, offers advantages superior to any other country paper in the State.

FIRST—It has had for a long series of years the undivided confidence and support of its party friends, and has also a fair circulation among the business men of the opposition.

SECOND—While the JEFFERSONIAN enjoys the confidential and united support of its own party friends, the patronage of the opposite party in this District is divided between SIX NEWSPAPERS. We mention this to show—that, without disparagement to our neighbors, it is easy to account for our **GREATER CIRCULATION**, and the superior advantages we offer to advertisers.

In addition to our large subscription list in Chester and Delaware counties, the JEFFERSONIAN circulates extensively in the counties of Lancaster, Montgomery, Cecil county, Md., and State of Delaware, thus embracing a wide district of country, and of varied business capacities.

The Jeffersonian is the Principal Medium for Real Estate Advertising in this District, which District is well known as the wealthiest in Pennsylvania.

BY

MORTON McMICHAEL.

—
PUBLISHERS and BOOKSELLERS will find the columns of the *North American* a most advantageous medium for advertising their works. The prompt and discriminating criticisms of new publications have gained for the paper a reputation which is in itself the best evidence of their value.

THE BANKS OF PHILADELPHIA, by special resolution adopted by the Board of Presidents, October, 1867, have selected the *North American* as the medium for all their official exhibits, or other notices requiring publication; testifying by this means to its superiority as a financial organ. Notices of copartnership, and legal notices generally, are also published by authority.

SALES OF REAL ESTATE throughout the United States have always been, and still are, advertised more largely in the *North American* than in any other paper in Pennsylvania, and to a greater extent, with a single exception, than in any other journal in the United States.

AUCTIONEERS' SALES, including all branches of the trade—imported or domestic goods, real estate, stocks, etc., etc.—form a department of the paper peculiar to the *North American*, and include the invoices of the most prominent business houses of Philadelphia, New York and Baltimore.

THE NORTH AMERICAN AND UNITED STATES GAZETTE is the only paper in Pennsylvania which makes a specialty of marine intelligence and the state of the markets, foreign and domestic. In this respect it is only equalled by the *New York Journal of Commerce*, and is consequently recognized as invaluable to all ship-owners, shippers, consignees, producers and traders.

THE MANUFACTURING INTERESTS of the country have, by their liberal support, acknowledged the *North American* as the prompt and capable supporter of all legislative measures tending to their maintenance or relief.

THE EDITORIAL DEPARTMENT, under the personal supervision of the Proprietor, includes discussion upon all subjects of general interest, contributed by the ablest writers of the day. The Protection of American Industry, the pure and economical administration of the government and the reconstruction measures of the Republican majority in Congress, are specially advocated.

It is the *cheapest* paper in the United States, and got up in the best style.

We print a *large* edition every month for gratuitous distribution.

We are *interested* in having it brought before a large number of the most liberal and enterprising farmers, merchants, mechanics and professional men.

As it is got up in magazine style, the advertisements are before the people a *long time*.

Most of the numbers are preserved for reference or bound. This gives greater permanence to the advertisements than can be had in Weekly or Monthly papers without covers.

Our paper goes into the hands of 10,000 *new* readers every month.

Our rates are lower than any other paper in proportion to its circulation.

We can put your advertisement before *more* readers for *less money* than any other paper in the United States.

As we admit none but first class advertisements, the people have great confidence in our advertisers.

This attempt at suppression has been more than compensated by our increased circulation, and consequently affording greater facilities for transient advertising. Advertising terms liberal. THOROUGHLY FIRST-CLASS ADVERTISING MEDIUM.

Although others make the same claim, it still is, and always will continue to be, under its present management, the **best Local Newspaper in Vermont**, with a larger general State circulation than any other, going into **Every County in the State**, without an exception. It is not a merely local sheet, with a circulation confined to its own county, but emphatically

A STATE PAPER, WITH A STATE CIRCULATION.

It is no exaggeration to say that each weekly copy is perused by at least **Twenty-five Thousand Readers.**

The reason of this is that **THE VERMONT RECORD AND FARMER** gives more local, country and State news, and more original matter of a strictly Vermont nature, historical, biographical and obituary sketches, than any other paper in the State, and the people are bound to read it.

It admits none but the most **Unexceptionable Advertisements** to its columns, being, probably, more particular in this respect than any other paper in New England. Under no condition, and for no price, will it knowingly advertise Gift Enterprises, Lotteries, Liquors of any description, Abortionists, or any of the thousand and one humbugs of the present day. Such as use its advertising columns will always find themselves in good company.

IT HAS, BY FAR, THE FULLEST, MOST ORIGINAL AND BEST EDITED AGRICULTURAL DEPARTMENT,

AND PUBLISHES

THE FULLEST AND MOST RELIABLE MARKET REPORTS

Of any Vermont Paper, both of which features render it indispensable to the farmers of Vermont, who largely patronize it.

AGRICULTURAL ADVERTISERS

Will find it to their advantage to make use of its columns if they desire to reach Vermont Farmers.

NORTHWESTERN ADVERTISING.

MILWAUKEE WISCONSIN OFFICE, Milwaukee, Jan. 1, 1869.

We ask the attention of advertisers to the list of newspapers upon this circular. One side of each of these papers is printed at the office of the *EVENING WISCONSIN*, Milwaukee. We prepare the matter and contract for the advertising that appears on the inside of these papers. There are many advantages in this system of printing newspapers—being co-operative the expense is greatly reduced, and thus the price of advertising made lower. For the whole list of one hundred newspapers the type-setting is saved ninety-nine times. Among the advantages are uniformity and accuracy of typography; neatness of press work; saving of correspondence—one letter and one contract answering for 116 newspapers; simultaneous appearance of advertisements over a wide extent of country; cheapness of advertising; only one cut is required; the papers embrace all shades of politics; the reliability and commercial standing of our house guaranty the faithful fulfillment of all contracts.

Those who desire to publish advertisements in the *Wisconsin* and *Minnesota* papers alone, or in all but the *Wisconsin* and *Minnesota* list, can do so.

Advertisers can include in their contracts the entire circulation of the *DAILY, SEMI-WEEKLY* and *WEEKLY WISCONSIN*. The *WISCONSIN* is the leading newspaper in the State. This, with the circulation of the 116 on the list, will give a circulation of 200,000 per week, and probably *over two millions of readers*.

A copy of each paper will be sent to all large advertisers, containing the first insertion. Large yearly contractors can have all the papers sent regularly when desired.

Parties desiring editorial or special notices can have them inserted at same rates for the space as regular advertisements, with the additional advantage that the notice will occupy the same position in all the papers.

We will state approximately, that our terms are 60 cents per line for the whole list, or but 6 cents per square for each paper, which is lower than the same circulation any other way. Thus one square, of ten lines agate, only costs \$6 00 for one insertion in one hundred thousand circulation. For each square one week, in the weekly list of papers, and the *DAILY* and *WEEKLY WISCONSIN* included, \$10 00. For yearly advertisements our rates are much less than this.

THE KENOSHA TELEGRAPH.

THE KENOSHA TELEGRAPH IS PUBLISHED EVERY
THURSDAY AT
Kenosha, Wisconsin,
AND IS
THE OLDEST NEWSPAPER IN THE STATE.

In circulation, it is exceeded by few weekly papers, and as an advertising medium, it possesses advantages superior to most other papers of equal circulation. It is published in a beautiful and healthy city on the Western shore of Lake Michigan.

The city of Kenosha is becoming renowned for the manufacture of Wagons and Seamless Thimble Skeins. Wagons, manufactured here, find a market all the way to the Rocky Mountains, and even in Oregon, being shipped by way of New York. And Seamless Thimble Skeins, manufactured in Kenosha, are in demand both West and East, greater than can be supplied. Kenosha possesses advantages for manufacturing superior to most Western or even Eastern cities.

Kenosha county occupies the South-east corner of the State, is fertile and salubrious, and is one of the first settled, most populous and wealthy parts of the country. And it is inhabited by an enterprising and reading class of people, who generally keep well posted in the current news of the day.

The office of the KENOSHA TELEGRAPH has recently been refitted with New Type and Material, and is prepared to do most kinds of Job Printing, on short notice and at reasonable prices.

A CIRCULAR TO ADVERTISERS, CONTAINING THE NAMES OF MORE THAN ONE THOUSAND NEWSPAPERS, AMONG WHICH WILL BE FOUND THE BEST ADVERTISING MEDIUMS IN AMERICA; ALSO, ESTIMATES SHOWING THE COST OF ADVERTISING, ETC., ETC.

THIS DIRECTORY CONTAINS A COMPLETE LIST OF ALL THE NEWSPAPERS IN AMERICA.

We will receive advertisements for any newspaper named in it, and charge the advertiser no more than he would be required to pay at the office of publication.

Estimates, showing the cost of advertising in any list of papers, furnished on application.

Complete files of all Newspapers enumerated on the following pages, together with many hundred others, may be found at our office. Files are kept complete for three months to give time for examination by Advertisers.

We receive the largest Newspaper Mail that comes to New York City.

Each Newspaper is examined daily by competent persons, and every insertion of each advertisement checked upon books kept for the purpose. If any omissions occur, the Publishers are duly notified and required to make the full number of insertions good.

By employing our services the Advertiser gains the benefit of experience without cost.

Our arrangements for the careful and methodical transaction of our business are most complete, and advertisers could afford to pay an increased price to secure our services, were it necessary, but such is not the case, as our commissions are paid by Publishers, and the rates at which we contract are lower than could be obtained from the offices of the newspapers direct.

WE—ourselves—BELIEVE in Advertising; we cannot recall the name of any business firm which is at the present time so extensively advertised as our own.

We know by experience **WHERE** and **HOW** to Advertise.

The Amount of Advertising sent from our house, in a single year, exceeds, by many thousand dollars, that emanating from any similar establishment in the world.

Advertisers will readily see the advantages we possess for transacting their business.

We particularly recommend the newspapers catalogued in the following pages to our Advertising patrons.

WHAT ADVERTISERS SAY.

The firm, whose letter we print below, gave us in 1867 what was then the largest contract we had ever received for our "Lists of 100 NEWS-PAPERS." The fact that they this year renew the order and increase the amount, is the best argument we can give that these "Lists" are good advertising mediums.

OFFICE OF
LIPPINCOTT & BAKEWELL,
MANUFACTURERS OF
Axes, Shovels, Saws, &c.,
NO. 118 WATER STREET,
PITTSBURGH, PA., Dec. 3, 1868.

MESSRS. GEO. P. ROWELL & CO.:

Gentlemen:—One year ago, with much hesitation, we gave you an advertisement for one of your Lists of One Hundred local papers; a very short time thereafter we unhesitatingly added two more Lists of One Hundred papers.

But a short time elapsed before we were inquired of on every side for "Colburn's Patent Red Jacket Ax," proving to us that your plan of Lists had reached the very parties to whom we wanted to introduce the new patent Ax.

The year having now nearly gone by, we cannot but believe your system of advertising by "Lists of Local Papers" is just the kind of advertising we want, and we to-day forward you an order, still adding one more List of One Hundred papers, making the number now altogether four Lists of One Hundred local papers.

The more we talk with newspaper agents and editors' agents the more satisfied we are that the arrangement we have made with you is preferable to any we have ever heard of. The merit of the Ax itself has, of course, something to do with the great demand for it, but we are satisfied that by your system of advertising by "Lists" we have accomplished in one year what would have ordinarily taken five years to accomplish. Respectfully,

LIPPINCOTT & BAKEWELL.

The National Publishing Company of Philadelphia have been among the largest advertisers in our LISTS OF LOCAL COUNTRY NEWS-PAPERS. Their bills for these alone amount to not less than \$20,000. The testimony of their letter may be taken as an answer to those who inquire if these Lists can really be good advertising mediums.

OFFICE OF THE
NATIONAL PUBLISHING COMPANY,
NO. 26 SOUTH SEVENTH STREET.
J. R. JONES, *President.*

PHILADELPHIA, Dec. 10, 1868.
MESSRS. GEO. P. ROWELL & CO., 40 PARK ROW,
NEW YORK:

Gentlemen:—It is more than three years since we began advertising in your "Lists of One Hundred Papers" each, and in that time have given "The List System," as originated by you,

a thorough trial, and we can now say it is the **cheapest** and **best** general advertising medium we have any knowledge of.

We have tried every possible mode of advertising, having dealt with the press direct, and through nearly every advertising agency in the country, and have no hesitation in saying that your Lists have paid us 50 per cent. better than any other way. Respectfully,

NATIONAL PUBLISHING CO.

The following testimony comes from a reliable and trustworthy source. Mr. Durno has for years made advertising a study:

NEW YORK, Dec. 22, 1868.

MESSRS. GEO. P. ROWELL & CO.:

Dear Sirs:—I thank you for the advance sheets of your Directory.

Some four or five years since, when you first originated your Select Lists of 100 Newspapers, I appreciated your *novelty* and patronized you accordingly.

Since then the advantages derived through your method by the increase of circulation, reduction of prices, and punctuality in all the departments of your business, I now advocate your System as deserving the highest encomiums. Having advertised my *specialty* "*Durno's Catarrh Snuff*" somewhat extensively since 1850, permit me to acknowledge that, had your present plan been then in operation, it would have been a saving to me in the rates of advertising of at least twenty thousand dollars.

I am, dear sir,

Yours truly,
JAMES DURNO.

We believe there has never been an advertising contract given out in New York City for which the competition was so great as for the one which was awarded us in Sept. last by P. H. Drake & Co. They had also made application to the publishers direct in all cases. Their letter states the result:

OFFICE OF P. H. DRAKE & CO.,
New York, Sept. 13, 1868.

MESSRS. GEO. P. ROWELL & CO., 40 PARK ROW,
NEW YORK:

Gents:—Having compared your figures with those furnished us by other advertising agencies and with the terms obtained from Publishers direct, for the insertion of advertisements of Plantation Bitters and Magnolia Water, we find them satisfactory, and accept your contract as given in letter of this date.

Oblige us by causing the advertisements to appear without unnecessary delay. Your bills for the amount, **\$43,776 26**, (Forty-three Thousand, Seven Hundred and Seventy-six Dollars and Twenty-six Cents,) will be paid in accordance with the terms proposed.

Yours very respectfully,

P. H. DRAKE & CO.

THE BEST NEWSPAPERS IN THE COUNTRY WILL BE FOUND UPON THIS CIRCULAR. AN ADVERTISING CONTRACT MUST BE A LARGE ONE IF IT CONTEMPLATES COVERING THE COUNTRY MORE COMPLETELY THAN CAN BE DONE BY A USE OF ALL THESE PAPERS, AND AN ADVERTISER MUST BE WELL POSTED WHO CAN CHANGE ANY CONSIDERABLE NUMBER OF THE PAPERS WE HAVE NAMED, AND EMPLOY THE COST OF THEM IN OTHER MEDIUMS, WITHOUT SUFFERING A LOSS THEREBY.
