Introduction

The Martha Graham Legacy Archive is a collection of materials that illuminate the life and career of the pioneer of American modern dance and enhance the Martha Graham Collection, which is held in the Music Division, Library of Congress. The Archive consists of materials relating to Graham and the Martha Graham Dance Company that have been donated to or purchased by the Music Division. The Archive is an ongoing collection and it is expected that it will be enhanced by future donations or purchases. The videotapes and photographs that were elements of the Library of Congress Doris Duke Charitable Foundation Martha Graham Legacy Project (1999-2001) are an important component of the Martha Graham Legacy Archive.

Certain restrictions as to the use or copying of the materials in this collection may apply.
