

Notice is hereby given,

PHILADELPHIA, April 21.
Extract of a letter from Malaga, to a merchant in this city, dated March 6th.
"Our market continues favourable for the importation of Caracas cocoa, inasmuch as we are permitted to be admitted as formerly, by paying the Spanish national duties, when accompanied with certificates, as it would appear our collector allowed it in consequence of our having shown the royal decree of April 30, 1859, and the full amount of foreign duties is ordered now to be exacted from the importers of all Spanish colonial produce since that period, which proves a most distressing circumstance to many."

PHILADELPHIA, April 22.
We feel great satisfaction in announcing to our readers, that last evening, by great exertions, the frigate *Constellation*, which sunk a few days since by accident, was righted. She now lies on an even keel, and nothing remains but to pump her out, which will not require much time or trouble. Her hull is laid to rest on four supports. It must be doubly consolatory to every friend of his country, to see this fine frigate saved from destruction. This joyous event has diffused the spirit of the nation, and the idea of raising her imparts vigour, and we join our patriotic fellow citizens in applauding the skill and activity which re-established her, and unite with them in a hearty wish, that a like accident may never again attend any vessel in our navy.

NEW-YORK, April 21.
[COMMERCIAL IMPORTANTS.]
His Britannic majesty's consuls-general for the eastern parts of America, request the editors of the N.-Y. World Gazette, to publish the order of his majesty in privy council herewith inclosed, for the information of the American and British merchants concerned.
20th April, 1861.

At a court of S. James's, the 4th of February 1861.—Pretay.
The King's Most Excellent Majesty in Council.

WHEREAS there was this day read at the said a representation from the consuls-general of his majesty's most honorable privy council, dated this day, in the words following, viz.
"May it please your majesty,

The merchants of London, trading to the United States of America, have represented that they had chartered several vessels belonging to the subjects of Denmark and Sweden, to proceed to different parts of the said United States, and to bring back to this kingdom cargoes of British and American goods, and that other Swedish and Danish vessels had proceeded to America, in order to procure lawful cargoes on British or American account; and that no inference was elicited on such vessels from the apprehension of their being captured by British cruisers; and that it is to be feared that unless some assurance of protection is given, such cargoes will not be brought to this country; and the said merchants have therefore requested, that instructions might be sent to your majesty's consuls residing within the said United States, authorizing the said consuls to grant passes or certificates to such Danish and Swedish vessels, as have already been chartered in America, or by and on behalf of British or American merchants, to bring provisions to this kingdom from the countries belonging to the said United States, whether the said vessels had arrived in the ports of the said United States or not, previous to the receipt of such instructions by your majesty's consuls; and also to such Danish and Swedish vessels as shall have been chartered in America or the West Indies, previous to the receipt of the instructions before mentioned; and the said merchants of London having further represented, that several Danish or Swedish vessels having been also chartered to bring provisions to this kingdom, and being laden therewith may be now at sea, returning from the ports of the said United States to some port of this kingdom; and that it is very desirable that the cargoes of such last mentioned vessels should be forthwith liberated on their arrival.—The Lords of your Majesty's privy council have taken the said representations into mature consideration, and are of opinion that it may be advisable to be given to your majesty's consuls resident within the said United States, authorizing them to grant certificates to such Danish or Swedish vessels as have been already chartered in Europe for the purpose aforesaid, setting forth the names and descriptions

of each particular vessel, and the time when the same was chartered by or on behalf of British or American merchants, as mentioned in the said certificates; and that the cargoes consist wholly (or at least one moiety) thereof of corn, flour or other articles of provision, being British or American produce, and that the said vessels are in the United Kingdom of Great Britain and Ireland; and that such vessels be ordered to the port or ports belonging to the said United States, mentioned in the said certificates, to the ports of the United Kingdom of Great Britain and Ireland, as mentioned in the said certificates.

And their Lordships are further of opinion, that on the arrival of any such Danish or Swedish vessel laden as aforesaid described, and furnished with such certificate from your majesty's consuls as aforesaid in any of the ports of the United Kingdom of Great Britain and Ireland, pursuant to their charter parties, the cargoes of such Danish or Swedish vessels, should upon production of such certificates be forthwith delivered to the consignees thereof or their order; and that the vessels importing the same should be forthwith discharged, and should be furnished with letters of passport, or safe conduct to the ports of Denmark or Sweden, to which the said vessels belong. And their Lordships are further of opinion, that the cargoes of such Danish or Swedish vessels, should on their arrival in any port of the United Kingdom, be forthwith discharged, and should be furnished with letters of passport, or safe conduct to the ports of Denmark or Sweden, to which the said vessels belong. And their Lordships are further of opinion, that the cargoes of such Danish or Swedish vessels, should on their arrival in any port of the United Kingdom, be forthwith discharged, and should be furnished with letters of passport, or safe conduct to the ports of Denmark or Sweden, to which the said vessels belong.

And their Lordships are further of opinion, that the cargoes of such Danish or Swedish vessels, should on their arrival in any port of the United Kingdom, be forthwith discharged, and should be furnished with letters of passport, or safe conduct to the ports of Denmark or Sweden, to which the said vessels belong.

And their Lordships are further of opinion, that the cargoes of such Danish or Swedish vessels, should on their arrival in any port of the United Kingdom, be forthwith discharged, and should be furnished with letters of passport, or safe conduct to the ports of Denmark or Sweden, to which the said vessels belong.

And their Lordships are further of opinion, that the cargoes of such Danish or Swedish vessels, should on their arrival in any port of the United Kingdom, be forthwith discharged, and should be furnished with letters of passport, or safe conduct to the ports of Denmark or Sweden, to which the said vessels belong.
