The new rifle outfit for boys

EVERY American boy ought to know how to shoot—and here's a shooting outfit that makes it easy for every boy to learn.

Everything a boy could possibly need for rifle shooting, all packed in a trim, handsome carrying case—that's the new W.J.R.C. Range Kit.

A .22 calibre bolt action rifle—a real Winchester, with all the famous Winchester strength and accuracy—is the big thing in the kit. Then there's a cartridge belt, a gun case, plenty of ammunition and

targets, and a complete cleaning outfit.

The new Range Kit is the official outfit of the Winchester Junior Rifle Corps. With this equipment any boy can compete for the famous Winchester trophies, the Marksman, Sharpshooter, and Expert Rifleman Medals. Thousands of American boys are now winning these rewards for skill.

Each outfit contains a copy of the W.J.R.C. Rule Book, which tells how to handle a rifle safely, and describes all the fine points of shooting. It also gives complete instructions

for laying out a safe rifle range, either indoors or outdoors.

What fun a boy can have with a real Winchester rifle! He can spend hours of wonderful sport on the target range—he can go out and bag rabbits and squirrels—he can shoot rats, hawks, weasels and other marauding pests.

The W.J.R.C. Range Kit makes an ideal Christmas present for any boy.
