A Very Interesting Value

This Walk-Over Pump Already O'Sullivanized \$4.50

Changes a clicking noisy step into a quiet walk of ease and charm.

The lines of this model are especially fortunate as they maintain the slenderness of an aristocratic foot and accent the beauty of a pretty instep.

It is a special style, which thousands of New York women have adopted both for street wear with smart gaiters and as an afternoon dancing slipper.

Carried in many leathers and weights and in such a range of sizes that a fit, as perfect as any custom boot maker could give, can be secured.

A wonderful sense of light, buoyant youth.

Buy this model already O'Sullivanized. Know the joy of a shoe which is thoroughly comfortable from the moment you put it on. Know the sense of buoyancy, of youth which O'Sullivan's Heels of new live rubber give.

Visit any Walk-Over Shop and see the interesting range of fashionable styles, from the light dancing slipper to the heavy "Tramp" boot, with O'Sullivan's Heels already attached.

Why Experienced Travelers Use "A. B. A." Cheques

Because—"A. B. A." Cheques relieve the traveler from worry about the safety of funds. Cheques which have not been countersigned are of use only to the original purchaser, and if lost or stolen may be replaced upon proper application.

Because—they are accepted in payment of bills by hotels, railroad and steamship companies and merchants, and are cashed by 50,000 banks.

Because—identification is simple the owner needs only to countersign each Cheque in the presence of the person accepting it.
