Washing by Electricity

Do away with washwoman or laundry expense. Discard the rubbing board and let the "Modern Home Washer" wash, rinse, blue and wring your clothes by electricity in your own clean, sanitary, stationary tubs.

This wonderful machine, awarded a medal at the Panama-Pacific Exposition, and Good Housekeeping Institute's famous star of merit, fits in any size stationary tub and stores in the tub, out of the way, when not in use. It is far more desirable than the heavy, bulky washing machines which are always in the way in small kitchens or laundries and which do far less efficient work.

Guaranteed Five Years

The "Modern Home Washer" complete with motor and wringer, sells for \$75 and is guaranteed for five years. For those who have no stationary tubs we make a portable style, shown at the right, which does equally good work—price \$85. We also make a hand machine which fits in any wash tub.

Write today for Booklet which illustrates and describes these machines.

In Your Own Stationary Tubs

The machine washes the clothes beautifully white and clean and has a capacity of 18 to 20 men's shirts or the equivalent. It will not injure the daintiest laces, lingerie or silk shirts. It does a large washing in an hour, a small one in 20 minutes. It will wash blankets, bath mats and small rugs. It saves several times its cost each year and uses less than two cents' worth of electricity per hour, which means less than \$2.00 per year.

Don't send your clothes to a laundry, to be rotted with chemicals and washed in the same water as other people's clothes. Return to the good old-fashioned idea of washing clothes at home—without work, fuss or muss—in your clean, convenient, stationary tubs.

HOW to make your skin fine in texture

If the delicate pores of your skin have become enlarged and coarsened, it is because of cleansing methods unsuited to your skin. As a result, the pores have lost their power to contract and expand as they should.

You can restore them to their normal healthy condition and rebuild a smooth-textured skin by persistent use of the following Woodbury treatment:

Dip your washcloth in very warm water and hold it to your face. Now take the cake of Woodbury's Facial Soap, dip it in water and rub the cake itself over your skin. Leave the slight coating of soap on for a few minutes until the skin feels drawn and dry. Then dampen the skin and rub the soap in gently with an upward and outward motion.

Rinse the face thoroughly, first in

tepid water, then in cold. Whenever possible, rub the face with a piece of ice. Always dry carefully.

Use this treatment persistently for ten days and your skin will show a marked improvement—a promise of that greater smoothness and finer texture that the steady use of Woodbury's always brings.

Do this today! A 25c cake of Woodbury's Facial Soap is sufficient for a month or six weeks of this treatment. Go to your druggist or toilet counter today and get a cake. Begin at once to get the benefits of this treatment for your skin.

Woodbury's Facial Soap is for sale by every dealer and druggist in greater New York and, in fact, by dealers everywhere throughout the United States and Canada. Made by The Andrew Jergens Co., New York and Cincinnati.

Plant In Your Window Garden

OUR "NONE BETTER" COLLECTION OF 18 STARTED BULBS
8 Wonder Crocus, 4 Roman Hyacinths, 8 Paperwhite Narcissus, and have beautiful blossoms, sweet and gay, in abundance amidst luscious green foliage, for two and three months to come.

PLANT THEM NOW and have flowers on Thanksgiving Day, Christmas, New Year's and all other days between.

Some of them, like the blue Crocus, will start to bloom at once; the Golden Zone variety—new and very pretty in its rosy-illiac form with gold—about Thanksgiving, and all will be in their glory on the holy days, "the favorite Paperwhites, as well as the Roman Hyacinths, ringing in New Year's with their alabaster bells." We consider this collection an improvement on the one offered last year, sold by the thousands and praised by every buyer; but the price is the same, \$1.00. 1/2 Coll. 60c. Delivered Free West of the Mississippi; 1/2 Coll. 75c.

All bulbs guaranteed to bloom in pebbles and water, soil or fibre! As the quantity is limited we advise to order at once with money order, cash or stamps.
